Dear Coaches,

Teurlings Catholic High School is hosting the inaugural "Running for a Cure" cross country meet on October 8, 2011. Proceeds from this meet will go towards the National Breast Cancer Foundation (nationalbreastcancer.org) to help fund the research to find a cure for breast cancer. While the races will be competitive, we feel that the cross country community can come together and help raise money for a cause that has affected the lives of so many. T-shirts will be sold and we will have plenty of refreshments that can be purchased. Donations will also be accepted and appreciated and will be presented to the National Breast Cancer Foundation (nationalbreastcancer.org)

Early registration (\$50/per team/per race) will be accepted until October 3<sup>rd</sup>. You can also register on the day of the race (\$60/per team/per race.) You may run as many athletes as you want, but you must designate your top 7 at packet pickup. Be sure to include school name, gender, first and last names of each runner. We will be using the RaceTab computer scoring system to time the runners and print out the results.
