

TCH 2016 Summer Reading Program—Student Agreement
Due: August 11, 2016

I, _____, understand that 10th, 11th, and 12th grade students at Teurlings must read at least one book of their choosing over the summer. I also understand that sexually explicit and inappropriate books will not be accepted. Books not on the student's reading level also will not be accepted.

10th: a Lexile/reading level above 800

11th: a Lexile/reading level above 850

12th: a Lexile/reading level above 900

Lexile levels can be found at www.lexile.com

Books must be at least 150 pages long.

I also understand that students are required to read the book and that watching the movie will not prepare the student for the assignment. It is suggested that students choose a book that has not been made into a movie. The assignments for books with corresponding movies will be more difficult in order to guarantee that the book was read.

Students must have their own copy of their book and they must have notes/thoughts written in the book.

I have looked at this information in class and understand the requirements of the Teurlings Summer Reading Program.
