

## TCH Program of Studies

The Louisiana Department of Education has made changes to their previous graduation requirements and has adopted two new pathways. To graduate from the State of Louisiana, a student must follow either the TOPS University Diploma or the Jump Start Career Diploma. Teurlings Catholic High School only offers the TOPS University Diploma pathway. This does not insure that a student will receive the TOPS Scholarship Award. To receive the TOPS Award, students must also meet ACT and GPA requirements outlined by the TOPS program. The required TCH program of studies is outlined below.
