RenWeb Instructions:

4. Click on the **icon (Course Request)** next to **your name**
5. Use the drop down boxes to select courses
6. Logout

Helpful Hints:

- Freshmen have one elective choice, all other courses taken in 9th grade are required. For assistance in choosing an elective, refer to the **TCH Program of Study and Course Requirements** on the TCHS website.
- As a TCH student, you will have six (6) elective courses throughout high school. Included in the six (6) elective courses, students must schedule (2) years of a Foreign Language and (1) year of an Art credit. This will leave them with (3) remaining electives of their choice. It is highly recommended that students begin their Foreign Languages and/or Art credit in their first three years of high school.
