

## MISSION STATEMENT

Teurlings Catholic develops  
each individual's ability  
**To Channel His Spirit**  
for the glory of God.

For the past decade, the Appeal for Enhancement of Technology has enabled Teurlings Catholic to excel in the global community by providing our students with state-of-the-art vehicles of communication. Last year, we were able to add 90 HP Chromebooks, 3 carts and 40 Aruba IAP205 Access Points.

This year, our goal is to raise \$55,000 to further progress in our mission to have a class set of laptops/chromebooks and a Promethean board in every classroom.

Success depends on **100% participation** from TCH parents, grandparents, pastors, volunteer boards, advisory council, faculty, and staff. When we all **share** in the commitment to improving our school, we all enjoy the **benefits** and **successes** of our **children!**
