CATHOLIC HIGH SCHOOL

Teurlings Catholic develops each individual's ability

TO CHANNEL HIS SPIRIT

for the glory of God.

Rev. Hampton Davis

CHANCELLOR

A wise expert in the field of Secondary Education was once asked, "What would be your first step in creating the perfect high school?" His response: *"Let me pick the parents!"* His point: *"Interested, involved, generous, responsive, and dedicated parents are critical to the success of any school."* And the great news is that such is the case at Teurlings Catholic High School! As our Annual Report is presented to the TCHS Family, I wanted to celebrate and affirm the incredible teamwork I continue to observe between our powerful parents, our fantastic faculty, our super staff and our amazing administration - all working in harmony to teach, form, lead and guide the wonderful students who have been entrusted to our care!

On the morning of October 26, 2017, our all loving God called home one of the giants of TCHS history - Father Joseph Brennan. As a former pastor of the Church of St. Genevieve, Fr. Brennan presided over a marvelous period of growth for TCHS, during which he was able to give to the school one of its greatest treasures - our beautiful Chapel. This House of Worship was one of the first in the country to be named in honor of Fr. Brennan's dear friend, Mother Teresa of Calcutta. Ever since it was first consecrated, the Chapel has been the spiritual *"Heart"* of our campus - and all who found their way there found their hearts to be filled with peace . . . but after Mother Teresa was canonized on September 4, 2016, all who loved this holy Priest and this special Sister found their hearts beating fast with joy! For it was soon after this exciting event that Father Brennan was able to preside over the renaming ceremony of this lovely place of prayer. On that great day, no one noticed his wheelchair bound body - for his joyful smile brought tears to our eyes as he called down God's blessing on our Chapel of SAINT Teresa of Calcutta! Inspired by Fr. Brennan's faithful witness, and by Saint Teresa's powerful intercession, I invite you to join me in recommitting ourselves to the life-giving work of Catholic Education at TCHS. As the new year of 2019 unfolds, trust my sincere appreciation for all that you do to bless our TCHS Family of Faith. Let's keep praying for each other, and for all who call TCHS *"Home"*!

Christ's Blessings & Peace,

Fr. Hampton Davis, Chancellor

Michael H. Boyer

PRINCIPAL

"The glory of God is man fully alive." Saint Irenaeus

A powerful reminder of what God wants for us, this quote directs mankind to be *fully alive*, and to not just exist. He wants us to live a life of joy, peace, and confidence. When you live a fulfilling, faith-filled, and joyful life, you give God glory! As a school, Teurlings Catholic attempts to carry the message of being *fully alive* in every facet of

what we do.

The mission of Teurlings Catholic is to educate and develop the heart, mind, and body of our students during our four years together in order **To Channel His Spirit** for the glory of God. During this process, together, we become *fully alive*.

With the support of our parents, grandparents, families, friends, and benefactors, we were able to enhance our curriculum and facilities to meet the demands of preparing our students for college, military service, and the workforce. The transformation of the original cafeteria into classroom space for our MASTER program was a tremendous accomplishment. The MASTER program will increase the cross-curricular offerings in math, art, science, technology, engineering, and religion.

Our students were *fully alive* in the pursuit of excellence in the classroom and on the field and court. The Class of 2018 was the largest graduating class in the history of Teurlings Catholic and collected \$12 million in scholarship offers. Our students found success on the national, state, and local levels. The cheerleaders were national champions and the volleyball team was national small school team of the year. The dancers were national runners-up. We captured state team championships, volleyball, wrestling, baseball, and dance.

We look forward to the future as we embrace the past. Teurlings Catholic High School, the oldest Catholic high school in Lafayette Parish, and proud of it. If you channel his spirit for the glory of God, you will be *fully alive*.

Yours in Christ,

Teurlings Catholic High School is proud to announce recipients of its memorials and honorariums.

Mr. and Mrs. Alfred Richard Memorial Award

This tuition credit award is established in remembrance of the parents of Mrs. Bernadette R. Derouen, Holy Family Catholic School Development Director. Through their hard work and devotion to Catholic education, Mr. and Mrs. Richard educated all of their seven children through St. Paul School, now recognized as Holy Family Catholic School. (Established 2018)

This year's award recipient is Shelton Edwards.

Roddy Richard Memorial Scholarship

This fund was established in Roddy Richard's name to perpetuate his memory in a way that is personal and meaningful to his family, his friends, and his alma mater. Allocations from the fund will financially assist a high school student with tuition and fees to attend Teurlings Catholic High School. The student selected each year is one who best exemplifies the traits that made Roddy special—one who is always a cheerful example to other students, displays the qualities of leadership, serves and participates at his church parish, and has maintained a strong academic grade point average. (Established in 1999)

This year's award recipients are Katelyn Aubrey, Kinley Reaux, and Caleb Thomas.

Brandon Latiolais Award

Dr. and Mrs. Terry Latiolais have established this award in memory of their son Brandon (TCH '94) who left a remarkable impression on his Alma Mater and on all who knew him. It will serve to maintain Brandon's persona at TCH while allowing future generations to know about him as well. The scholarship is a cash award in recognition of the academic accomplishments of a Teurlings

graduating student, based upon that student's ACT scores and future educational plans. (Established 2000)

This year's award recipient is Evan Kidder.

Nicholas "Nick" Keith Weber Memorial Scholarship

This fund was lovingly established in Nick's name by his parents Tessie and Keith Weber, his family, his classmates of TCH 2001, and his many friends to carry on his memory. Interest generated by the fund will financially assist a high school student with tuition and/or fees to attend Teurlings Catholic High School. The student selected each year is one who best exemplifies the traits of Nick—always willing to help others, is courteous and honest, participates in a variety of school activities, demonstrates a deep appreciation for the closeness of family and friends, and genuinely loves Teurlings Catholic High School. (Established in 2002)

This year's award recipients are twins, Ethan Balfa and Evan Balfa.

Terri L. Baudier Memorial Award

Mrs. Baudier (TCHS Assistant Principal 1996-2008) loved TCH and every student that walked through its "main breezeway." She believed the good in every student was only a conversation away. She encouraged the underdog and rallied behind their efforts. Mrs. Baudier was a hard worker and admired those who willingly took on extra responsibilities and worked for the betterment of the school and its student body. Fairness and compassion are two qualities that allowed Mrs. Baudier to be a model for Catholic education and these qualities serve as a guide for the selection of our honoree. (Established 2009)

This year's award recipient is Madison Baudoin.

Richard Claude Rees Humanitarian Award

Anyone who knew "Ricky" Rees knew of his insatiable desire to help anyone and everyone who asked for or needed his assistance, especially if he could help without attracting any attention to himself. The Richard Claude Rees Humanitarian Award was designed to recognize a student whose contributions to his/her school, church, or community might have gone unrecognized by other customary awards but are certainly not unappreciated. The award is not exclusive to academic or athletic achievement but is presented to a senior from Teurlings Catholic High School who has demonstrated a genuine desire to help others through action and deed. The honoree is chosen by members of the Rees family through recommendations from the administration and staff of Teurlings Catholic High School. (Established 2013)

This year's award recipient is Lilly Chapman.

Dolores "Dee" Zimmerman Memorial Award

"Dee" was a 1971 graduate of Teurlings Catholic. She was the essence of school spirit. Always at the forefront, Dee loved TCHS and her love for her Alma Mater did not diminish after graduation. She became the source of information for all things Teurlings and kept her classmates and friends connected. The award recognizes a female graduating student who best demonstrates the following qualifying characteristics:

1. *The TCH senior who has participated in Lady Rebel athletic teams for a minimum of two years.*
2. *The TCH senior who exhibits the spirit of TCH – loves her school and has been involved in two or more clubs or extracurricular activities where she proudly represented Teurlings Catholic.*
3. *The TCH senior girl is very outgoing, has many friends and is extremely loyal to her friends and to TCH.*

4. *She has been accepted and is in the process of enrollment in a college or university for the fall semester immediately following graduation from Teurlings. (Established 2014)*

*This year's award recipient is **Chloe Hamilton.***

Juliana Kathryn Gerami Memorial Award

A beautiful smile, an angelic voice and a pure heart...these are just a few of the special qualities that characterized Juliana Kathryn Gerami. Juliana was passionate about her faith, music and drama, and her animals. She was in all four musicals during her years at TCH, playing the lead role of Belle in "Beauty and the Beast" her senior year. She was also a member of the Speech and Drama team for two years and shared her musical talents in Music Ministry for three years. Her faith life was very important to her and through Campus Ministry, she was able to extend her love and compassion to others on campus and at retreats. But most importantly, Juliana was a gentle and kind young lady, who always looked for the good in others with a loving and forgiving heart. The two recipients of this award go to a senior student and an underclassman student who reflect the qualities that personified who Juliana was...a young lady who deeply loved God, her family and friends, and life. (Established 2018)

*This year's award recipients are **Reyna Houston TCHS '18** and **Sarah Joubert TCHS '20.***

Collins and Eva James Senior Memorial Scholarship

Collins James Sr. and Eva Anthony James were the proud parents of Fr. Thomas James, SVD, Sr. Geneva James, SSF, and Collins James Jr., former business owner and entrepreneur. From this union, Mr. and Mrs. James were able to send all three of their children to Catholic school and college on meager salaries. Eva was a babysitter and cook for many physicians and attorneys in the city of St. Martinville, and Collins worked as a barber and for May Brothers Lumber Company for over 20 years. Eva had an eighth grade education because many African Americans were not able

to attend high school, and Collins had only a first grade education because when his father died, he had to quit school to help his mother care for his younger siblings and work in the fields. Both Eva and Collins had strong faith in which they consistently and successfully instilled in their children. They were the first couple to marry in Notre Dame Catholic Church in 1939. Both were active in the church. Eva was a Eucharistic Minister for over 20 years, Altar Lady, and a member of the Block Rosary Group and Charismatic Choir. Collins was an active member of the Ushers' Society, Legion of Mary, Holy Name of Jesus Society, the Nocturnal Adoration Society, and the Knights of Peter Claver. The James family has always been active in the church and taught their children, grandchildren, and great-grandchildren to do the same. Collins and Eva always volunteered to clean the church, especially for holiday masses, and to work church fairs. A Catholic education was very important to them and the traditions of loving God continue to live on with their family. (Established 2018)

*This year's award recipients are **Brooke Charles, Cody Delcambre, Dillon Hebert, Andre' Moore, and Eddie Williams.***

Lasseigne Family Award

The Lasseigne Family Award, sponsored by Travis and Stephanie Lasseigne, was established in honor of their three children: Cody James Lasseigne TCHS 2009, Taylor Brooke Lasseigne Davis TCHS 2012, and Baili Claire Lasseigne TCHS 2018. Three graduating seniors will be awarded a cash scholarship in recognition of their hard work and dedication to Teurlings Catholic High School, specifically during their senior year. (Established 2018)

*The recipients of the Lasseigne Family Award are: **Chloe Hamilton, Dylan Langlais, and Adam Richard.***

TCHS Memorial Award

The TCHS Memorial Award is presented to a graduate who has exhibited ability and determination during his or her high school years at Teurlings Catholic.

*This year's award recipient is **Ashley Latiolais.***

The Rebels of the Year Awards were presented to **Reed Broussard** and **Kaitlin Guidry**. Throughout the year, two seniors, one young man and one young lady, are chosen each month by fellow students and faculty members to receive the honor of "Rebel of the Month." The students chosen as Rebels of the Month should maintain high academic achievement, show eagerness and a desire to learn, possess character and a sense of responsibility, and should be of service to family, community, and school.

The second highest honor at Teurlings Catholic High School is the American Legion Award. This award recognizes the traits of leadership, courage, citizenship, scholarship, community, patriotism, and service which are necessary to the preservation and protection of the fundamental institutions of our government and the advancement of society. This year's recipients were **Olivia Guidry** and **Dylan Langlinais**.

We are indeed most proud to announce the 2018 Monsignor William J. Teurlings Award recipient, **Rani Hebert**. This award is the highest award bestowed upon any Teurlings Catholic High School graduate. The recipient of this award exemplifies the integrity and character upon which our school has been built: the development of knowledgeable, compassionate, productive citizens who are prepared for the personal and intellectual demands of both college and the world.
