Teurlings Catholic High School

“Always A Rebel” Campaign

For the past sixty years, Teurlings Catholic has proudly provided students with a top-quality education while fostering an appreciation for the values of the Catholic Christian heritage in which they were born.

With a freshman class of 200 enrolled for the fall, the projected enrollment will be 815. By limiting the size of all future incoming classes to 200, TCH will stabilize its enrollment at 800. Although we do not aspire to be larger than that, we definitely have the desire and the need to better accommodate the students who currently attend Teurlings Catholic.

Bishop Jarrell accepted TCH's proposal for seven classrooms surrounding the chapel and a centralized faculty workroom for a total cost of \$1.2 million. Furnishings and equipment needed cost \$20,000 per classroom. Anticipated completion date is Summer 2016.

Raising a million dollars will not be easy. A recent blessing, however, has been bestowed! Teurlings Catholic was awarded a leading gift opportunity of \$250,000 from the Stuller Family Foundation. For every dollar raised, the Stuller Foundation will match it. *For every dollar you donate, the Stuller Foundation will double your gift!*

Each contribution is greatly appreciated and makes a significant impact on the success of this project. We invite individuals, families, groups, i.e. alumni classes, community leaders, and businesses to unite in this challenge. Once a group or an individual reaches the gift plan level of \$20K, they will have the opportunity to commemorate the contribution by naming a room.

To make a donation, please make your check payable to Always A Rebel. If you are a graduate of TCH, be sure to note on the memo part of the check to which class you wish to designate your gift. Please mail your gift to:
