

NCAA Clearinghouse

All student athletes must register with the NCAA Clearinghouse to be eligible to play college ball.

How to register:

- Go to the NCAA Clearinghouse website: www.eligibilitycenter.org
- Click on START HERE and follow instructions.
- Once you are complete, email Mrs. Proctor at aproctor@tchs.net and let her know you have registered. The NCAA Clearinghouse will also notify her that you have registered. At that point your official school transcript will be uploaded to the Clearinghouse. At the end of the school year, your Final High School Transcript will be sent to the Clearinghouse.

Please feel free to call me if you have any questions.
