Explanation of the TCHS Summer Reading Program

Teurlings Catholic High School students moving to 10th, 11th, or 12th grade will be required to read a book of their choosing. The book must be at least 150 pages long. There is also a reading level requirement. Please see the permission sheet (Page 3) for specific requirements. Students must complete the summer reading annotation guide (*link on previous page*) in order to receive credit for reading the book. It is worth 40 points.

Your child will not receive credit for a book he/she has not had approved by a parent or guardian. They will not receive credit for the book if the annotation guide is not completed.

We do not test in the summer. Your child will be testing, discussing, and/or writing about their book in their English class during the first week of school.

Please encourage your child to read and approach this project with integrity. In other words, your child's book must be on the student's grade level, and it must be a book the student has never read before. Students are NOT allowed to read any of the books read and taught in TCHS classes without written approval from Mrs. Ledet (*TCHS Librarian*). Please see the final page of this document for details.

For the 10th-12th graders, suggested reading lists are readily available online. Of course, many books available to high school readers are not appropriate. Please be sure your child is reading something you are comfortable with. AR Book Finder (*under the Collections tab*) and Common Sense Media both have links available to alert parents to any questionable content in many books. You are the final judge in what is or is not appropriate for your child.

Thank you in advance for your support. If you have any questions, please email Mrs. Carrienne Ledet (cleDET@tchs.net).

_____ has my permission to read _____
(Student First and Last Name) *(Title of Book)*

I understand books not on the student's reading level will not be accepted. Books must have an AR Interest Level of UG (*Upper Grades*).

AR Interest Levels of LG (*Lower Grades*), MG (*Middle Grades*), and MG+ (*Upper Middle Grades*) are **NOT** acceptable.

**** AR Interest Levels are found at arbookfind.com ****

Proof of the AR Interest Level OR written approval from Mrs. Ledet (*TCHS Librarian*) is required.

I also understand students are required to read the book and watching the movie based on the book will not prepare the student for the assignment. It is suggested students choose a book that has not been made into a movie. If students choose to read a book that has been made into a movie, their assignment will be more difficult in order to ensure the book has in fact been read.

Students must have their own copy of their book.

Books must have a minimum of 150 pages.

This form, proof of the AR Interest Level OR written approval from Mrs. Ledet, and the annotation guide are due during the first week of the 2023-2024 school year.
