No student will be allowed to use any computer equipment on the campus without a current, signed acknowledgment form.

Teurlings Catholic High School - Technology Policy for Students 1:1 Chromebook Policy

1. Students will be issued a school-owned chromebook, charger and carrying case, for school and home use for their time at TCHS. Any damages will be the responsibility of the student/parent.

2. Students are expected to bring their school-issued Chromebook FULLY CHARGED to school every day. If a student forgets his/her Chromebook at home or does not bring it to school fully charged, they must check out a loaner from the Technology Office (Library) and return in at the end of the day. Students are responsible for any damage to the borrowed device. When borrowing a device, students will face the following consequences per quarter:

- 4th offense – Detention
- 5th offense – Saturday School

3. Taking Care of Your Chromebook

Students are responsible for the general care of the Chromebook they have been issued by the school. Chromebooks that are broken or fail to work properly must be taken to the Technology Office as soon as possible for repairs. School-owned Chromebooks should never be taken to an outside computer service for any type of repairs. These are general precautions students should follow:

- Do not carry the Chromebook by the screen
- Never place heavy objects on top of Chromebooks (even inside a backpack)
- Always transport Chromebooks with care, in the school-issued protective case
- Do not place anything in the protective case that will press against the cover
- No food or drink should be next to Chromebooks

- Make sure there is nothing on the keyboard before closing the lid (pens, pencils, etc.)
- Only clean the screen with a soft, dry microfiber cloth
- Do not try to secure a key that has popped off - bring to tech office
- Never leave Chromebooks unsecured
- Do not pile backpacks (protective case) on top of one another or leave backpacks unprotected from the weather

4. Estimated Costs of parts and replacements: (subject to change)

Normal wear and tear on the devices is expected and issues will be handled with that in mind, however, damage to the devices due to improper handling/care or lost/stolen devices will be the responsibility of the student/parent. Disciplinary action may also be applied if the action warrants. The following are estimated costs of parts and replacements:

- Chromebook replacement - \$250
