

ADMISSIONS INFORMATION

2024-2025 SCHOOL YEAR

Application Process

The application process for the 2024-2025 school year takes place during the month of January; it begins **Thursday, January 12, 2024** and the **deadline to apply is Friday, January 26, 2024**. There is no application fee.

Siblings of students currently enrolled at TCHS must follow these same procedures and comply with the deadlines. All sections of the online application must be completed and all supplemental documentation must be uploaded. Failure to do so will result in the student's application being placed on hold, thereby delaying the admissions process, and the student will be placed in line with others in the wait pool.

All applicants will be notified about the status of the application via email in **mid-to-late February**. Due to the volume of applications, all deadlines will be strictly enforced. Applications are not timestamped.

Registration and scheduling information will be provided following acceptance to TCHS.

Application Procedure

If you have questions about our application procedure or need additional help, please email **Tiffany Parks** (tparks@tchs.net) to make an appointment.
