

TCHS Program of Studies

The Louisiana Department of Education has made changes to their previous graduation requirements and has adopted two graduation pathways. To graduate from the State of Louisiana, a student must follow either the TOPS University Diploma or the Jump Start Career Diploma pathway. Teurlings Catholic High School only offers the TOPS University Diploma pathway. This does not ensure that a student will receive the TOPS Scholarship Award. To receive the TOPS Award, students must also meet the ACT and GPA requirements outlined by the TOPS program. In addition, Teurlings Catholic requires that students schedule a Religious Studies course each year. The required TCHS Program of Studies is outlined below.
