TRADITIONS

2019

WE ARE...

ALMA MATER

You have given a path we can follow

Loving all, loving God.

You have guided our goals and
our morals

Needing one, needing all.

Teurlings' spirit will live forever

Its love will bring us life.

We needed something to love
and guide us

Bring us faith, bring us joy.

You are that something to love
and guide us

Something safe, something sure.

You are always right behind us

Teurlings drive, Rebel fight.

Oh, our memories will live forever

And our gains will all shine through.

You are that something to always
guide us

Turn around! You'll be there.

*Written by 1971 graduate Constance
Koury. The melody for the Alma Mater is
based on the song, "Turn Around Look at
Me," by the Vogues 1968.*

We Are . . . Family, a “Family of Faith!”

One of the great joys of being the Chancellor of Teurlings Catholic is having the frequent privilege of presiding at many of the celebrations of Holy Mass enjoyed by our community. For example, we have “all school” Masses, class Masses and faculty Masses. We have Masses for our grandparents and Masses for our moms and dads, as well as three Masses (fall, winter and spring sports) for our student athletes and their parents, as well as for our coaches and their families. Each of these life-giving Liturgies is special, but it is at the three “Sports Masses” I am given the opportunity to remind all in attendance of the proper “Order of Focus” for our Rebel Nation: 1st - Faith Formation, 2nd - Academic Formation, 3rd - Extra Curricular Formation. As you know, a seminary is a place where men are formed and educated to be passionate Priests of Jesus Christ.

The word “seminary” comes from the classical Latin word “seminarium” which means “seed plot or nursery,” these days we might call it a “greenhouse.” In other words, a seminary is to be a special place to grow great people! It has been my experience when we have the proper “Order of Focus” in our work at TCHS - God first, study second, sports/clubs third - our school becomes the seminary for which it was created: a place where our students are formed and educated to be dynamic Disciples of Jesus Christ, and members of a true “Family of Faith!”

Christ’s Blessings & Peace,
Fr. Hampton Davis
Chancellor

MICHAEL H BOYER - PRINCIPAL

We Are Teurlings Catholic High School, the oldest Catholic high school in Lafayette Parish. Through the efforts of many over generations, Teurlings Catholic High School was skillfully conceived and built to serve the needs of our Catholic community.

We Are Teurlings Catholic High School, with an ever changing focus on the curricular needs of our students. With one of the largest per capita rates for dual enrollment courses in the state to the implementation of our MASTER program (Math, Arts, Science, Technology, Engineering, and Religion), we are preparing our students for the ever changing future.

We Are Teurlings Catholic High School, ever so grateful to our many benefactors, donors, council members, clergy, alumni, parents, and students who donate time and effort to the continuous improvement of our school.

Yours in Christ,
Michael H. Boyer
Principal

Teurlings Catholic High School - Alumni Association

PRESIDENT'S NOTE

Hello again to all Rebel Alumni!

Our hope is you all enjoy the 2019 edition of the Teurlings Traditions Alumni Magazine. I want to thank Tiffany Dugas Parks (TCH '98) for all the hard work in putting the publication together. During the 2017-2018 school year, the Teurlings Catholic Alumni Association was busy hosting numerous events.

The Teurlings Catholic High School Alumni Association in conjunction with the Guidance Department held "Career Connect" during the 2017 and 2018 school years. Several Teurlings Catholic alumni participated in the events, presenting students with information regarding their careers. I was honored to be invited during the 2017 school year and was pleasantly surprised with our alumni participation. The students had many opportunities to listen and ask questions about various professions and trades.

At the request of numerous alumni, and with help from Robert Boudreaux (TCH '69), Bo Boudreaux (TCH '08), and Lauren Delahoussaye Carrigee (TCH '02), the Teurlings Alumni Association hosted its inaugural Alumni Association Softball Tournament. We were able to accommodate nine teams, which included 117 alumni and spouses. The proceeds from the tournament help the Alumni Association further assist the school. The TCHS softball team also raised money for their organization by selling concessions. Although the tournament was a fundraiser for our school, more importantly, it gathered our extended alumni family back on the Teurlings Catholic High School campus where many could witness the growth over the past years. We have established a good foundation for making this an annual event. Plans are already in motion for next year's tournament, which will be held the

weekend of June 22-23, 2019. We hope to see many more familiar faces attend and participate in our tournament.

I would also like to welcome the **Teurlings Catholic High School Class of 2018** to our Alumni Association; a large number of fellow alumni share your common bond as proud graduates of Teurlings Catholic High School. We wish you much success and many blessings as you begin the next phase of your lives. I would urge you all to stay involved and attend frequent alumni events in the future. Please feel free to contact me, or any of our executive board members with questions, or for more information.

In closing, a Teurlings Catholic Rebel takes pride in their school and the people who were forever blessed to have attended. We all know the connection among alumni who have walked the breezeways, showed their school spirit at the pep rallies, and most importantly, honored our Lord and Savior at school Masses.

No one can take away your Catholic education earned at Teurlings Catholic High School. We must be proud and work to continue the tradition of excellence in Catholic education in the Lafayette community.

Once a Rebel, always a Rebel.

Thank you and God's blessing to you all.

Sincerely,

Kevin Roy

presents

CAREER C^{ONNECT}

On November 12, 2018, Teurlings Catholic held its 2nd annual Career Connect. The event fostered a networking opportunity between TCHS students and area TCHS alumni and professionals in the community. Teurlings Catholic students were given the opportunity to attend four 20 minute sessions of their choosing relating to possible career fields. Presenters from various professions gave brief descriptions of their chosen occupations and allowed students to give feedback and ask questions. Teurlings Catholic would like to sincerely thank those who took time away from work to share their passion with our students!

WE ARE...

We are the oldest Catholic High School in Lafayette parish. And you, as a faithful alumni, are part of our tradition and continued success and achievements. As we look forward to our future, we reflect on the many accomplishments and the growth and expansion we've experienced just in the past two decades. Rapid growth in our student population lent itself to a need for facility improvements and additions. The renovation of numerous facilities including the Chapel, junior high wing, and cafeteria, two new classroom wings, two paved parking lots for our students, computers in every classroom, a Guidance Office, as well as the addition of a multi-functional stadium and multi-purpose athletic building, are just a few of the exciting advancements made to the Teurlings Catholic High School campus infrastructure. We are proud of who we are, where we've been, and where we are headed. Please refer to the chart on the right and share in the blessings we've received, as we could not have paved the way for our current and future students, without the support of our cherished alumni!

WE ARE...

Expanding our Curriculum

STEM...it's a hot topic in schools across our country. As the field of engineering brings new jobs to our educated youth, the need to provide a basis in the fields of science, technology, engineering, and mathematics (STEM) is a pressing issue growing in our schools. Teurlings Catholic embraces this challenge with open arms. With the addition of a new cafeteria, shared with St. Genevieve Middle School, we were able to renovate the original cafeteria into multiple offices, a conference room, and a makerspace for our MASTER program, our approach to STEM. The makerspace consists of two classrooms, one to allow for individual creativity and one a more traditional classroom setting fostering group collaboration and allowing students to increase the cross-curricular offerings in mathematics, art, science, technology, engineering, religion. In addition, new course offerings, including Robotics, have been added as electives for those students wishing to learn more within the field of engineering. As technology expands and changes rapidly in our world, Teurlings Catholic continues to assist students in discovering and developing their talents by providing a variety of instructional approaches that support their learning and a multitude of assessment opportunities that demonstrate their achievement and mastery of skills and information.

"We Broke Out!"

Students in Ms. Kasie Dugas's Chemistry class reviewed the periodic table by completing a breakout EDU lesson in the Makerspace. Teams worked together to crack the code and find the missing elements! Students are seen working in our new Makerspace room and chemistry room.

Curriculum

"Solomon Temples"

In a collaborative group environment, senior students created a model of Solomon's Temple as described in 1 Kings 6-8. These models were constructed with material provided in the MASTER lab space. The students used the dimensions and descriptions of the Temple from the Bible to construct a model of the temple to scale using math and historical information to complete the cross curriculum project. The project was complete in three steps: plan, construct and reflection leading to a cohesive learning experience.

"Where Art Meets Science"

The TCHS art and science classes collaborated to create an installation inspired by Jackson Pollock and Dot Day. This creative exhibit is displayed in the windows of our new MASTER Makerspace classrooms.

ALUMNI SPOTLIGHT

Danielle Cottonham - Class of 2008

My parents, Danny and Patricia Cottonham, instilled in me three essential values: education, family, and love. Reflecting back on my time at Teurlings Catholic High School, it is evident my parents not only wanted me to receive an excellent education, but they also wanted me to do so in an environment that prioritized family and displayed faith rooted in love.

I carried those three principles through graduation from Teurlings in 2008 to the University of Louisiana at Lafayette where I majored in psychology. Professors and mentors throughout college nurtured my growing curiosity about human behavior. During my time working at the campus Counseling and Testing Center, I developed a commitment to furthering my career goal of becoming a psychologist. In Spring of 2012, I graduated with a 4.0 GPA from ULL in psychology with a minor in sociology and was awarded the Outstanding Graduate in the Department of Psychology.

I took the non-traditional route and decided a gap year was best after college to adequately prepare for the next step of graduate school. During this year, I worked at Acadiana C.A.R.E.S. in HIV prevention and outreach. I did not know it at the time, but my experience facilitating a program focused on promoting safe-sex practices, healthy relationships, and ethnic and gender pride among 14 to 18-year-old Black women would play a key role in my research throughout graduate school.

In the Fall of 2013, I began a four-year journey towards my dream of becoming a counseling psychologist at the University of Southern Mississippi in Hattiesburg. I learned

from my accomplishments, but it was the challenges that taught me a very important lesson that is best articulated by Paulo Coelho in his book "The Alchemist." He wrote, "Tell your heart that the fear of suffering is worse than the suffering itself. And that no heart has ever suffered when it goes in search of its dreams, because every second of the search is a second's encounter with God and with eternity." Over the course of my time at USM, I realized I was a courageous dreamer walking a path of uncertainty towards my personal calling because I could not convince myself that any other journey would be as fulfilling.

In 2014, I defended my thesis titled "Harmful Alcohol Use and Alcohol-Related Sex Expectancies as Predictors of Risky Sex among African-American Female College Drinkers," which was published in the Journal of Ethnicity in Substance Use in 2016. I then went on to defend my dissertation titled "Gendered Racism and Risky Sexual Behavior among African American College Women: A Moderated Mediation Study of Psychological Distress, Alcohol Use, Safe Sex Practices, and Alcohol Protective Behavioral Strategies" in 2017.

My time in Mississippi taught me a lot, but there was still more to learn in Louisiana, my home. I completed my predoctoral internship at the Southeast Louisiana Veteran's Health Care System in New Orleans. This experience solidified my desire to continue working with a group of individuals who have taught me immensely about authenticity and personal courage — veterans. In my work with veterans, I had the chance to do more than thank them for their service. I got to bear witness to their

untold stories of living with the challenges of posttraumatic stress and substance use. More importantly, I worked collaboratively with them to move from a place of merely existing in the world to living a fuller quality of life.

After graduating from USM this past August, my career led me out west where I accepted a postdoctoral fellowship position at the San Francisco Veteran's Health Care System in California. In this role, I now provide mental health services to veterans with Posttraumatic Stress Disorder and co-occurring Substance Use Disorders. Although I have physically left Louisiana, I carry the culture, spirit, and love of home every place I go and share it with every person I meet.

Audre Lorde, a Black female poet, stated: "Once we recognize we can feel deeply, love deeply, we can feel joy, then we will demand that all parts of our lives produce that kind of joy." During my time at Teurlings, I learned what it means to love deeply. Every part of my life is touched by the love I have come to understand and cultivate for myself and others. For this gift, I am forever grateful.

To my Teurlings family, may you be peaceful, may you be happy, may you be free from suffering, and may you be filled with loving kindness.

WE ARE...

Ensuring the Future

\$586,775.00

On behalf of Teurlings Catholic High School, we would like to thank everyone who has participated in Dancing With The Rebel Stars over the years. Words cannot express our gratitude, not only for your monetary donations, but also for all of the long hours of hard work to make the shows successes year after year. Teurlings Catholic High School is fruitful and prosperous because of your continued generosity and support. Over the past four years, Dancing With the Rebel Stars raised over **\$586,775.00**, which helped to fund the ongoing need to expand and increase technology on our campus, to support our Rebel Academic Backers Club, and to meet the budgetary needs of the school not covered by tuition. We are truly grateful for every participant, volunteer, donor, and all those who attended this event over the last four years!

re of our Students

JOIN US!

FEBRUARY 18, 2019
5:30-8:30 PM

We invite all alumni to join us for the inaugural **THE TASTE OF TEURLINGS** dining experience on **Monday, February 18, 2019, from 5:30-8:30 PM** in the Cafetorium. You will be awarded the opportunity to sample signature dishes from some of the finest restaurants and eateries Acadiana has to offer. Reward your palate while participating in our silent auction; auction items include trips, prizes, and school-related rewards. This event will benefit the TCHS Rebel Academic Backers Club. RABC is committed to academic excellence by supporting the education of the students entrusted to us and enhancing the productivity of TCHS by fostering relationships between the school, parents, and teachers. Proceeds from this event will benefit several of our TCHS academic clubs including: Speech & Debate, BETA, Service Crew, SADD (Students Against Destructive Decisions) and Chess Club; as well as continuing to provide academic prizes during incentives and the Academic Pep Rally. **WE LOOK FORWARD TO SEEING YOU THERE!**

ALUMNI SPOTLIGHT

Dr. Jean'-Paul Abshire, D.C. - Class of 2009

Nine years ago I graduated from Teurlings Catholic High, and I wouldn't have wanted to be anywhere else. Looking back on my time there, I felt blessed to be able to have had such a challenging and rewarding curriculum. My parents sacrificed much to give me the opportunity to attend a high school that taught me the values, morals, and principles of what it means To Channel His Spirit.

During my four years at Teurlings, I was involved in many clubs and organizations on campus including the Beta Club, Music Ministry, and the musicals. Looking back on those experiences now, these groups gave me many opportunities to step outside of my comfort zone. A very special thank you to Ms. Josette Surratt for cultivating an environment, for my four years on the Speech and Debate team, that taught us to not fear the public and speak with confidence. All of my teachers, though, provided me with the tools to go out into the world and be able to talk and communicate with those around me.

I then turned my eyes towards pursuing my undergraduate degree at the University of Louisiana at Lafayette. I was thankful to be near home, family, and friends while I continued my education. ULL is blessed to have Our Lady of Wisdom, as I was able to find comfort and community among others sharing the same values that I had been exposed to while at Teurlings. This was a perfect opportunity of slowly integrating myself into the college lifestyle while staying rooted in my Catholic faith. Being a Ragin' Cajun was not without its challenges, as I faced many new and difficult situations, but it was due to my high school experiences that I felt ready to overcome everything presented to me. My love of the sciences grew here and prepared me for what was to come. I graduated in 2014 with a Bachelor of Science in Biology, and I immediately set my sights on graduate school.

I traveled a few hours down the road to Pasadena, Texas to start my path towards my doctorate. This was something I had wanted to do since eighth grade, and finally reaching this point in my studies was huge. I wanted to attend a university that prided itself on evidence-based curriculum, and Texas Chiropractic College offered that and much more. Through my countless hours of learning and study I grew to understand the importance and divine design that was the human anatomy. During my time there, I was able to appreciate the benefits and positive outcomes that people could gain from working with the

body by working with collegiate athletes, students, and the general public through clinic rotations.

Prior to graduating, I had my heart set on returning back home to practice and treat family and friends. I had the chance to intern with the staff at Relief Plus in Carencro, my hometown. This allowed me the chance to work outside of a school environment and eventually find a position there. I graduated with my Doctorate in Chiropractic in December of 2017, made the move to Carencro, and started with Relief Plus at the beginning of the next year. It's so rewarding to have helped so many people, many of whom I know, find relief from their pain. I'm so pleased that after all the education I went through, utilizing the talents that God has given me, and building on the foundation that I established while at Teurlings, I'm able to do what I love. Thank you TCHS for providing me with the tools to be where I am today!

2017-2018 ANNUAL REPORT

FULLY + ALIVE

ANNUAL APPEAL FOR THE ENHANCEMENT OF TECHNOLOGY

For the past decade, the Appeal for Enhancement of Technology has enabled Teurlings Catholic to excel in the global community by providing our students with state-of-the-art vehicles of communication. **This year, our goal is to raise \$50,000.** Our mission is to provide teachers and students with the latest technology and tools to compete in a rapidly changing world. Your support will fund upgrades to classroom computer equipment and campus infrastructure. With your help, we believe Teurlings Catholic can be in the forefront of emerging technologies in education. Thank you to all who have donated this year to our Annual Appeal. There is still time to donate! Help us reach our goal of \$50,000!

AS OF

Teurlings Catholic High School is proud to announce its 2018 Honor Graduates:

The Monsignor Charles Fortier Honor Graduates have maintained a 4.0 grade point average and have completed a minimum of eleven honor courses during their high school years. The Monsignor Charles Fortier Honor Graduates from the Class of 2018 are: Sarah Broussard, Alex Domingue, Kaitlin Guidry, Madison Guidry, Olivia Guidry, Reyna Houston, Mina-Marie Juneau, Evan Kidder, Ashley Latiolais, Nicholas LeBlanc, Abby Miller, Sarah Miller, Kelli Prilliman, and Kaily Thibodeaux.

The Father Bede Becnel Honor Graduates have maintained a 3.5 grade point average and have completed a minimum of eleven honor courses during their four years of high school. These Honor Graduates are: Madison Baudoin, Michael Boudreaux, Sophia Brazda, Katherine Bryant, Lilly Chapman, Kammi Danenberg, Mariah Harris, Rani Hebert, Averie Johnson, Lindsey Kelly, Jean-Paul LeBlanc, Peyton McCarley, and Taylor Stutes.

The Sister Angelle Bell Honor Graduates have maintained a 3.5 grade point average and have completed a minimum of nine honors courses during high school. These Honor Graduates are: Wesley Blazek, Christopher Booker, Reed Broussard, Alex Gregory, Hannah Johnson, Hailey Prevost, Logan Quebodeaux, Gabrielle Sonnier, Noelle Stephens, Kaylie Taylor, and Britney Young.

The Sister Julie McDougall Honor Graduates have maintained a 3.5 grade point average. These Honor Graduates are: Sarah Blakely, Lindsey Bourque, Caroline Broussard, Grant Clark, Callie Cormier, Olivia Cunningham, Kanin Dodge, Bri Errico, Kelly Frame, Mark Fuselier, Sierra Guilbeau, Jake Lamkin, Callie Landry, Dylan Langlinais, Lorin Martin, Brian Metoyer, Morganne Ned, Amber Nguyen, Sydney Olivier, Baleigh Stansbury, Caroline Staples, Blake Theriot, Alexis Thibodeaux, Lizzie Trouard, and Lucas Walls.

Rebels of the Year
Kaitlin Guidry
Reed Broussard

Throughout the year, a male and female senior are chosen each month by fellow students and faculty members to receive the honor of "Rebel of the Month." The students chosen as Rebels of the Month should maintain high academic achievement, show eagerness and a desire to learn, possess character and a sense of responsibility, and should be of service to family, community, and school.

2018 Monsignor William J. Teurlings Award
Rani Hebert

This award is the highest award bestowed upon any Teurlings Catholic High School graduate. The recipient of this award exemplifies the integrity and character upon which our school has been built: the development of knowledgeable, compassionate, productive citizens who are prepared for the personal and intellectual demands of both college and the world.

American Legion Award
Olivia Guidry
Dylan Langlinais

The second highest honor at Teurlings Catholic High School is the American Legion Award. This award recognizes the traits of leadership, courage, citizenship, scholarship, community, patriotism, and service which are necessary to the preservation and protection of the fundamental institutions of our government and the advancement of society.

Other Expenses	\$1,451,233	21%
TOTAL	\$7,031,599	100%

Teurlings Catholic High School is proud to announce recipients of its memorials and honorariums.

Roddy Richard Memorial Scholarship

This fund was established in Roddy Richard’s name to perpetuate his memory in a way that is personal and meaningful to his family, his friends, and his alma mater. Allocations from the fund will financially assist a high school student with tuition and fees to attend Teurlings Catholic High School. The student selected each year is one who best exemplifies the traits that made Roddy special—one who is always a cheerful example to other students, displays the qualities of leadership, serves and participates at his church parish, and has maintained a strong academic grade point average. (Established in 1999)

This year’s award recipients are Katelyn Aubrey, Kinley Reaux, and Caleb Thomas.

Brandon Latiolais Award

Dr. and Mrs. Terry Latiolais have established this award in memory of their son Brandon (TCH ’94) who left a remarkable impression on his Alma Mater and on all who knew him. It will serve to maintain Brandon’s persona at TCH while allowing future generations to know about him as well. The scholarship is a cash award in recognition of the academic accomplishments of a Teurlings graduating student, based upon that student’s ACT scores and future educational plans. (Established 2000)

This year’s award recipient is Evan Kidder.

Nicholas “Nick” Keith Weber Memorial Scholarship

This fund was lovingly established in Nick’s name by his parents Tessie and Keith Weber, his family, his classmates of TCH 2001, and his many friends to carry on his memory. Interest generated by the fund will financially assist a high school student with tuition and/or fees to attend Teurlings Catholic High School. The student selected each year is one who best exemplifies the traits of Nick—always willing to help others, is courteous and honest, participates in a variety of school activities, demonstrates a deep appreciation for the closeness of family and friends, and genuinely loves Teurlings Catholic High School. (Established in 2002)

This year’s award recipients are twins, Ethan Balfa and Evan Balfa.

Terri L. Baudier Memorial Award

Mrs. Baudier (TCH Assistant Principal 1996-2008) loved TCH and every student that walked through its “main breezeway.” She believed the good in every student was only a conversation away. She encouraged the underdog and rallied behind their efforts. Mrs. Baudier was a hard worker and admired those who willingly took on extra responsibilities and worked for the betterment of the school and its student body. Fairness and compassion are two qualities that allowed Mrs. Baudier to be a model for Catholic education and these qualities serve as a guide for the selection of our honoree. (Established 2009)

This year’s award recipient is Madison Baudoin.

Richard Claude Rees Humanitarian Award

Anyone who knew “Ricky” Rees knew of his insatiable desire to help anyone and everyone who asked for or needed his assistance, especially if he could help without attracting any attention to himself. The Richard Claude Rees Humanitarian Award was designed to recognize a student whose contributions to his/her school, church, or community might have gone unrecognized by other customary awards but are certainly not unappreciated. The award is not exclusive to academic or athletic achievement but is presented to a senior from Teurlings Catholic High School who has demonstrated a genuine desire to help others through action and deed. The honoree is chosen by members of the Rees family through recommendations from the administration and staff of Teurlings Catholic High School. (Established 2013)

This year’s award recipient is Lilly Chapman.

Dolores “Dee” Zimmerman Memorial Award

“Dee” was a 1971 graduate of Teurlings Catholic. She was the essence of school spirit. Always at the forefront, Dee loved TCH and her love for her Alma Mater did not diminish after graduation. She became the source of information for all things Teurlings and kept her classmates and friends connected. The award recognizes a female graduating student who best demonstrates the following qualifying characteristics:

- The TCH senior who has participated in Lady Rebel athletic teams for a minimum of two years.
- The TCH senior who exhibits the spirit of TCH – loves her school and has been

involved in two or more clubs or extracurricular activities where she proudly represented Teurlings Catholic.

- The TCH senior girl is very outgoing, has many friends and is extremely loyal to her friends and to TCH.
- She has been accepted and is in the process of enrollment in a college or university for the fall semester immediately following graduation from Teurlings. (Established 2014)

This year’s award recipient is Chloe Hamilton.

Juliana Kathryn Gerami Memorial Award

A beautiful smile, an angelic voice and a pure heart...these are just a few of the special qualities that characterized Juliana Kathryn Gerami. Juliana was passionate about her faith, music and drama, and her animals. She was in all four musicals during her years at TCH, playing the lead role of Belle in “Beauty and the Beast” her senior year. She was also a member of the Speech and Drama team for two years and shared her musical talents in Music Ministry for three years. Her faith life was very important to her and through Campus Ministry, she was able to extend her love and compassion to others on campus and at retreats. But most importantly, Juliana was a gentle and kind young lady, who always looked for the good in others with a loving and forgiving heart. The two recipients of this award go to a senior student and an underclassman student who reflect the qualities that personified who Juliana was...a young lady who deeply loved God, her family and friends, and life. (Established 2018)

This year’s award recipients are Reyna Houston TCH ’18 and Sarah Joubert TCH ’20.

Collins and Eva James Senior Memorial Scholarship

Collins James Sr. and Eva Anthony James were the proud parents of Fr. Thomas James, SVD, Sr. Geneva James, SSF, and Collins James Jr., former business owner and entrepreneur. From this union, Mr. and Mrs. James were able to send all three of their children to Catholic school and college on meager salaries. Eva was a babysitter and cook for many physicians and attorneys in the city of St. Martinville, and Collins worked as a barber and for May Brothers Lumber Company for over 20 years. Eva had an eighth grade education because many African Americans were not able to attend high school, and Collins had only a first grade education because when his father died, he had to quit school to help his mother care for his younger siblings and work in the fields. Both Eva and Collins had strong faith in which they consistently and successfully instilled in their children. They were the first couple to marry in Notre Dame Catholic Church in 1939. Both were active in the church. Eva was a Eucharistic Minister for over 20 years, Altar Lady, and a member of the Block Rosary Group and Charismatic Choir. Collins was an active member of the Ushers’ Society, Legion of Mary, Holy Name of Jesus Society, the Nocturnal Adoration Society, and the Knights of Peter Claver. The James family has always been active in the church and taught their children, grandchildren, and great-grandchildren to do the same. Collins and Eva always volunteered to clean the church, especially for holiday masses, and to work church fairs. A Catholic education was very important to them and the traditions of loving God continue to live on with their family. (Established 2018)

This year’s award recipients are Brooke Charles, Cody Delcambre, Dillon Hebert, Andre’ Moore, and Eddie Williams.

Lasseigne Family Award

The Lasseigne Family Award, sponsored by Travis and Stephnie Lasseigne, was established in honor of their three children: Cody James Lasseigne TCH 2009, Taylor Brooke Lasseigne Davis TCH 2012, and Baili Claire Lasseigne TCH 2018. Three graduating seniors will be awarded a cash scholarship in recognition of their hard work and dedication to Teurlings Catholic High School, specifically during their senior year. (Established 2018)

The recipients of the Lasseigne Family Award are: Chloe Hamilton, Dylan Langlinals, and Adam Richard.

TCH Memorial Award

The TCH Memorial Award is presented to a graduate who has exhibited ability and determination during his or her high school years at Teurlings Catholic.

This year’s award recipient is Ashley Latiolais.
