

TCH Class of 1965 - 50th Anniversary

The 1965 Class of Teurlings Catholic, celebrating their fiftieth anniversary, included a group tour of the campus, led by Aline Norwood, TCH Development Director, in their activities. Many had not been on campus since graduation and were in awe of the growth and progress of their Alma Mater. Linda Suir, sister of Stanley Arceneaux, and her husband Burton, took pictures of the library, dedicated in her brother's name. Linda Stoutes Rouley proudly checked out the school bus she had donated to TCH last year. The class was also impressed with the refurbishing of the Fr. Teurlings oil painting in the lobby. The portrait was their class gift to the school in 1965. The class took time to say prayers in the chapel for classmates and spouses. All said the stadium and track was a dream come true for the school and look forward to seeing new classrooms and growth at their next reunion.
