The Rebel Revue Dance Team has been thrilling Rebel fans for over four decades, and our legacy continues to grow! Since earning our first national ranking in 2001, Rebel Revue has continued to shine—earning national recognition in jazz, pom, game day, and hip hop.

This past January, our dancers made history at the National Dance Team Championship:

1 National Champions in Hip Hop

2 2nd Place in Jazz

2 2nd Place in Game Day

These wins add to our THREE National Championships (2019, 2020, and 2025), solidifying Rebel Revue as one of the premier high school dance teams in the country!

To maintain this standard of excellence, we bring in elite out-of-state choreographers each year to provide innovative and championship-worthy routines. Your sponsorship helps defray these travel and training expenses while supporting our dancers as they continue their winning tradition.
