### TEURLINGS-COMEAUX

Teurlings head mentor Tad Tatman has 16 starters returning from last year's 5-5 overall squad.

Back to spark the Rebels is 6-0 senior quarterback Mark Breaux, who handles the Teurlings veer offense to perfection.

The Rebels will start seniors Scott Hollier and Scott Blakely in the backfield, but sophomore Tim Duhon has been shining in practice and he should also see plenty of action.

Teurlings will have an experienced line coming back with Kevin Begnaud holding down the center spot.

The guards will be Tommy Fisher and Brennan O'Neil with Ron Judice and Matt Foley holding down the tackle slots.

The Spartans will have senior Dale Thibodeaux at the controls with Danny Flugence, Bobby Barras and Ward Vannoy carrying the mail.

Eddie Flugence and Philip Flugence, a pair of fleet footed ends, will be pulling in most of Thibodeaux' aeriels.

On defense, Griffin moves over to the noseguard slot and he will get ample help from Morris (tackle) and Mark Briley at defensive end.

Craig Badon and Pitre are back to take over at linebacker with Eddie Flugence roaming the secondary from his free safety position.

## The Rebels Are Coming

If Teurlings Head Coach Tad Tatman was Paul Revere three years ago when he accepted the head job in Rebel Land he could have been quoted as saying, "the Rebels are coming."

With 16 starters returning from last season's 5-5 club the Rebel head mentor is probably roaming the streets shouting, "the Rebels are here."

"We are really looking forward to the season," stated Tatman. "Our kids are small, but they are gutsy and they are winners."

"We have 16 starters returning and their desire to win and our quickness should be our strong points," commented the Rebel leader.

"Our weak points should be our depth at running back," he said, "and our size in the backfield. Besides that we should be alright elsewhere."

Of the 16 starters coming back, nine will be on the defensive side of the line, with seven returning on offense.

Back to operate the Rebel veer offensive attack is All-District candidate quarterback Mark Breaux.

The senior, 5-11, 165 pounder is a two year letterman and Coach Tatman sees a bright future for his leader.

"I expect Mark to have a great year," said Tatman. "With last year's experience under his belt, he could have an outstanding year this season."

Breaux will have some big targets to throw to this year with 6-1, 200 pound senior Tommy Myers and 6-1, 200 pound junior Jon Hebert anchoring the end slots. Also expected to pull in some aeriels is 5-8, 160 pound senior Glenn Gerami.

The Rebels will have strength returning in the backfield with seniors Scott Hollier, a 5-7, 160 pounder, and Scott Blakey, a 5-10, 165 pounder, doing most of the mail carrying.

Four starters are coming back to man their line positions with pivotman Kevin Begnaud, a senior who stands 5-9 and weighs 155 pounds, being the smallest.

The tackle spots will have adequate weight as senior 6-3, 210 pounder Ron Judice and senior Matt Foley, a 6-1, 190 pounder, will handle those spots.

Senior Tommy Fisher, a 5-10, 170 pounder returns to man one of the guard slots and he will be teamed with 5-9, 160 pound senior Brennan O'Neil to form a good blocking duo.

Probably the strongest part of the Teurlings defense could be its linebacking corps with Tommy Fisher, Paul Olivier, a 5-10, 165 pound senior and O'Neil returning to back up the line.

The defensive line is also set with Hebert and Randy Reed, a 5-11, 180 pound senior, manning the end slots and Judice and Foley holding down the fort at the tackle slots.

Pass defense will be a strong forte for the Rebels with Hollier and Blakely holding down the corners and Gerami and sophomore Kevin Guidry taking care of the deep passes from their safety positions. Craig Caillier, a 5-7, 165 pound senior is also expected to see plenty of action at safety.

Teurlings will open the season with a home date against Ascension Catholic and the Rebels will be looking to avenge a 19-0 loss last season.

The following week, the Rebels trek over to Ville Platte to battle AA power Sacred Heart and then visit the Vermilion Catholic Screaming Eagles September 22.

The Comeaux Spartans and Acadiana Wrecking Rams took victories Thursday at Acadiana's Wrecking Ram Stadium in the first of two nights in the 27th Annual Kiwanis Football Jamboree.

Comeaux kicked off the evening well, surviving a late Teurlings surge to down the Rebels 15-12. The Rams, District 5-AAAA's runnerup in 1977, took off where they left off by posting a 14-0 triumph over Northside's Vikings.

Action continues in the Jamboree tonight at Lafayette High, as New Iberia and Carencro meet in a 7 p.m. tilt and Lafayette and Cathedral-Carmel battle in the next contest.

#### COMEUX-TEURLINGS

Coach Mike Simmons' Spartans scored on their opening march and led throughout, but it was no piece of cake for the winners as the Rebels fought to the wire in the exciting game.

Quarterback Dale Thibodeaux and fullback Bobby Barras keyed the first Comeaux possession, a 70-yard drive in nine plays. Thibodeaux scrambled for one key first down at the Teurlings 24, and three plays later his club had scored.

The payoff came when Thibodeaux tossed his only pass of the night, an 18-yard slant-in to tight end Philip Flugence for the touchdown. John Vardeman looped through the extra point and it was 7-0.

A Thibodeaux punt was later downed at the Teurlings 48 with the half approaching. Rebel quarterback Mark Breaux went quickly to work, using shifty Scott Hollier for two yards to the 50 on first down.

Breaux missed over the middle for a wide open Jon Hebert, but did not lose track of his receiver. On the next play, Hebert escaped toward the sidelines and Breaux looped the ball over two Spartan defenders.

Hebert juggled, then caught, the pass and dashed down to the two-yard line on a dazzling 48-yard aerial play. Breaux sneaked over on the next play for the score that made it 7-6. It stayed that way when a run for two points failed.

The second play of the second half hurt Teurlings, as a Scott Blakely fumble was pounced upon by Kyle Pitre at the Rebel 31. Quarterback John McFarland got one first down at the 17, and Barras reached the five for another, before McFarland scored

from the one. He then tossed to Vincent Andrus for a two-point conversion.

But Breaux and Hebert went back to work. The Rebs drove 70 yards with a 22-yard Breaux-to-Hebert pass to the Comeaux 27 being a key third down conversion. A five-yard penalty pushed the Rebs back to the 32, but Hollier gained 18 on two totes for a first at the 14.

After being out of bounds on a possible third down TD catch from the 11, Hebert lost his defender and hauled in an 11-yard score from Breaux at the 3:44 mark to make it 15-12. Breaux' pass for Glenn Gerami was no good.

Teurlings made one more concerted drive, as time ran low, with a pass interference call to the Spartan 32 helping when Hebert was open for a score but held up. But Teurlings, which suffered 65 yards in penalties, pushed itself out of range with miscues like holding and clipping. Still, a 35-yard bomb to Hebert in a crowd carried to the 23 on a first down before running plays and a pass failed to get to the 22.

Hebert, who nabbed five passes for 128 yards, was the Offensive MVP of the game, while Comeaux safety Charles Ricord was the Defensive MVP.

#### ACADIANA-NORTHSIDE

Some 10 players carried the ball for Coach Bill Dolson's Rams, as the Acadiana veer racked up 151 yards on 33 carries to control the tempo of the contest. Corey Cavalier led that effort with eight totes for 40 yards, followed by quarterback Steve Selcer (five for 32) and halfback Junius Dural (five for 30).

It was Selcer, the game's Offensive MVP, who triggered the volatile Ram offense to paydirt, hitting two of three passes for 41 yards and one score to go with his rushing.

He guided his club on a 90-yard, 14-play march in the first half. Cavalier got one first down at the 23. Then, with a third and two at their own 31, the Rams passed. Selcer's toss was picked off by Viking Mike St. Julien, but Northside held on the play and Acadiana had new life at its 46.

A 15-yard scamper by Cavalier to the Vike 39 was complemented by a 23-yard Selcer dash to the 14. Then with a third and 12 at the 14, Selcer found Neal Lege at the goal and the junior flanker twisted in for the score.

Todd Migl's extra point made it 7-9 at the half.

The Rams wasted little time getting to work in the second

Football fans that didn't get to see their favorite teams in jamboree action last week better get ready because the grid season officially opens Friday.

All six teams in 7-AA will be in action, with last season's champ Notre Dame being on the road against the Eunice Bobcats.

Also on tap is league runner-up Cathedral trekking to Rayne. Teurlings hosting Ascension Catholic, Catholic High entertaining Opelousas Catholic, Erath busing over to Vermilion Catholic and Kaplan rolling out the red carpet for Abbeville.

**ASCENSION CATHOLIC-TEURLINGS**

Rebel Head Mentor Tad Tatman has 16 starters returning from last season's 5-5 overall team and all should be primed to take advantage of last season's 19-0 loss at the hands of the Bulldogs.

One person that is "fired up" about the game is quarterback Mark Breaux who passed for 120 yards on seven of 12 pass completions in the Kiwanis Jamboree Friday night.

Complementing him in the backfield will be running backs Scott Blakely and Scott Hollier.

Jon Hebert, who hauled in seven passes in the jam tilt, will be at one end, along with Glenn Gerami.

Anchoring the offensive and defensive line will be tackles Ron Judice and Matt Foley, with Kevin Begnaud starting at the center slot.

**Linebackers** Tommy Fisher, Paul Olivier and Brennan O'Neal key the defensive side of the line.

Teurlings has a good chance of winning the game Friday night, according to Coach Tatman, but his charges will have to change their attitude.

"We have been having bad practice sessions all week," stated Tatman. We need to get more senior leadership and show more of a desire to win.

"What it boils down to is that we are not playing to our full potential."

Ascension Catholic was 5-5 overall last season and hopes

of an improvement this season lie on the shoulders of sophomore quarterback Vincent Amadee.

**Tailback** Billy Guillot returns to inherit his position and he will team with Butch Daigle (fullback) to form the Bulldog rushing attack.

Tackles Mike Savoie and Anthony Waguespack are key players in the offensive line.

**CATHEDRAL-RAYNE**

The Tigers of Coach Linden Bercegeay will be young this season and they will be looking to duplicate last season's 10-2 overall mark.

Some 28 lettermen return to help bolster the attack, along with bulldozing fullback Mike Mahtook, and split end Albert Jumonville.

Mahtook will team with tailback Bruce Montesano and quarterback Todd Duke to form a good running attack.

The Wolves will not forget the likes of Jumonville who scored on two long punt returns last season to lead the Tigers to victory.

Cathedral should be tough against the pass with its three top backs returning in Jumonville, David Lowry and Wade Key.

Coach Lewis Cook has 14 lettermen in Wolves Land in hopes of improving on his charges' 2-8 overall mark of a year ago.

**ERATH-VERMILION CATHOLIC**

Coach James Mosley is starting his second year at Erath and he has 12 lettermen returning.

Top returnees on offense are running back Mark Stoute and ends John Boudreaux and Gary Richard.

Leading the Bobcat defensive attack will be tackles Earnest Pilette and end Darrell Landry.

Coach Curtis Candies is in his first year at VC and he will be inheriting a young team.

Six of the Eagle offensive starters will be juniors, with sophomore quarterback Phil Nugent running the Eagle attack.

**ABBEVILLE-KAPLAN**

Pirate Head Coach Sammy Hinckley has seven offensive starters returning, but the big problem is finding replacements for the defense.

# Saab, O'Neal Are Honored

Before the game, most of the talk was about Lafayette High quarterback Dwight Prudhomme and H. L. Bourgeois tailback Jesse Myles. Both of those players had outstanding games, but each had to take a back seat to Mike Saab.

Saab, a 5-9, 165-pound senior LHS tailback, slithered through the taller Braves for 139 yards on 25 carries on the night. He scored the Lions' only touchdown on a seven-yard run as Lafayette escaped from Houma with a 7-6 win last Thursday night.

For his performance, Saab is the first honoree as Advertiser Offensive Player of the Week in high school football in Acadiana. He shares laurels with Brennan O'Neal of Teurlings, the Defensive Player of the Week.

## Workhorse Back

The shifty Saab, running behind traps and power sweeps, was the workhorse for Coach Bob Mahfouz. By halftime, he had amassed 93 yards on 16 totes, and his hard-driving efforts helped the Lions play ball control against a club that was District 8-

AAAA runnerup to eventual '77 state champ South Lafourche.

O'Neal played inspired defensive football for the Rebels, pouncing on two fumbles, making 10 unassisted tackles, and getting in on 12 more as Teurlings popped visiting Ascension Catholic 26-6 Friday night.

There were other notable offensive performances in the opening week. Teurlings quarterback Mark Breaux threw for three touchdowns in the Rebel win. Cathedral's Albert Jumonville caught two scores in a 23-8 win at Rayne. And St. Martinville's Johnny Fontenette raced for 220 yards and four TD's overall in a 40-12 Tiger rout of Loreauville.

Defensively, Lafayette High defensive tackle Bill Stringfield camped in the Bourgeois backfield most of the night, getting in on 11 unassisted tackles and generally disrupting an H.L.B. passing attack that netted minus one yard. Also, Cathedral punter Mike Mahtook averaged 37 yards on four punts to keep Rayne bottled up.

If the first week of the season is any indication of how good teams will be in District 7-AA, this year could be very competitive.

Four of the six teams in the league walked away on the front ends of the scoring, with two absorbing defeats.

Defending champs Notre Dame defeated Eunice 16-0, runners-up Cathedral outsluged Rayne 23-8, Teurlings popped Ascension Catholic 26-6, and Erath dumped Vermilion Catholic 20-6.

Losing in opening week action were Kaplan to Abbeville 14-0, and Catholic High dropping a 7-0 decision to Opelousas Catholic.

Action Friday night has Teurlings traveling to Sacred Heart, Cathedral hosting Loreauville Erath busing to Hanson, Catholic High visiting St. Martinville, Kaplan hosting Vermilion Catholic, and Notre Dame going to Abbeville.

**TEURLINGS-**  
**SACRED HEART**

The leather will be popping this week when these two Class AA rivals tangle in the second annual "Bragger's Bowl."

Teurlings took a hardfought 12-6 win at Clark Field last season and the perennially tough Trojans haven't forgotten that defeat.

"This year's team is the hungriest they've (Sacred Heart) had in the past three years," said Teurlings head coach Tad Tatman, who is a former graduate of Sacred Heart. "They are primed to prove to everybody that they can rebound from their 3-7 record of a year ago."

The Rebels were led to their easy victory by the passing of field general Mark Breau, who passed for three touchdowns and scored once himself.

Brennan O'Neal, the Advertiser's Defensive Player of the

Week, keyed a fired up Rebel defense by recovering two fumbles and figuring in on 22 tackles (10 solos, 12 helpers).

"It's a must game for us," said Tatman, when asked what the game meant to his charges, "so we can keep our momentum going."

"We will have to control the line of scrimmage both offensively and defensively if we are going to win."

Pacing the Trojan offensive attack is quarterback Jay Pucheu who threw three touchdowns in last week's victory over highly regarded St. Edmund of Eunice.

**LOREAUVILLE-**  
**CATHEDRAL**

This battle will feature teams that played at opposite ends of the scoreboard last week.

Cathedral showed some tough offensive spark to defeat the Wolves, while Loreauville couldn't generate any offense and they were completely outplayed in their tilt.

The Tigers of Coach Linden Bercegeay amassed 159 yards total offense, with big plays coming on two touchdown passes from quarterback Todd Duke to Albert Juniorville.

Loreauville managed to

score twice last week, with Ricky Davis hauling in a 60-yard pass from Chris Lissard and the latter also tallying in from seven yards out.

**ERATH-HANSON**

The Bobcats will be playing their second consecutive 9-A school of the young season, but the Tigers should present stiffer competition with more seasoned veterans.

A stout Bobcat defensive unit allowed the Eagles a 12 yards rushing and only 28 through the air in capturing their first win of the season.

Hanson met the tough Berwick Panthers and absorbed an 8-0 defeat.

**CATHOLIC HIGH-**  
**ST. MARTINVILLE**

The Panthers had problems of getting their offensive attack going, while the Tigers were in full gear for their first contest.

Opelousas Catholic has defeated the Panthers the past two years by a combined total of 11 points, 14-0 in '77 and 7-0 this season.

Johnny Fontenette scored four touchdowns in the Tigers' upsidewin and he should present the most threat to the young Panther defensive unit.

**NOTRE DAME-**  
**ABBEVILLE**

The sparks will be flying in

this game when these two gridiron powers meet.

Notre Dame used the score capture its win, with Maris Lee and Frank Piltre doing the honors for the Wildcats.

Both teams possess strong offensive attacks, with the Pioneers gaining 288 yards last week, while the Wildcats accumulated 236 stripes.

On the defensive side of the ledger, the Pioneers allowed the Bobcats only 64 stripes, with Abbeville giving up 232.

**VERMILION CATHOLIC-**  
**KAPLAN**

Both teams absorbed opening night defeats and each will be trying to get back on the right track.

The Pirate defensive unit fought gallantly against the tough Wildcats, but the offensive unit couldn't generate any offensive spark.

Vermilion Catholic was plagued by turnovers all night as the Eagles could only come up with 16 yards total offense.

## N.O. Schools Still Have Grid Woes

NEW ORLEANS (AP) — Although the New Orleans teachers' strike ended this week, its effects will be felt for another two weeks on the high school football field.

Two games involving Class AAAA schools were cancelled last week, before the strike was settled, and the same four teams will remain out of action this week because they

either the head coach or an assistant, at best. Kids cannot practice on their own."

Schools which will miss scheduled games Friday are Nicholls, Cohen, B.T. Washington and McDonough 35.

# Rebels Capture Bragger's Bowl

VILLE PLATTE — The Teurlings Rebels traveled to the home of the eighth ranked Sacred Heart Trojans and returned 16-0 winners in a game played here Friday night.

Coach Tad Tatman's 'Baeld Brigade' opened the scoring by marching to the Sacred Heart 30, where Mark Breaux hit Jon Hebert on a touchdown pass with 5:27 left in the first quarter.

Scott Blakely scored the second TD for Teurlings as he ran through the Trojan defense for a 32 yard touchdown gallop with 2:37 left on the clock in the third quarter. Blakely then threw a pass to Hebert for the two point conversion.

The Rebels ended the scoring in the second annual 'Bragger's Bowl' with two more points coming when Ted Colligan, Sacred Heart punter, fumbled the snap in his own end zone, which went out of bounds for a safety.

Teurlings gained 163 yards on the ground as Scott Hollier, Blakely, and Breaux did most of the running. Hebert caught two passes from Breaux, covering a total of 48 yards.

Hebert also had an outstanding night punting the ball as he averaged 43 markers on five kicks.

Jay Pucheu led the Trojan offense by passing 17 times and completing seven for 87

yards.

The Trojan signal caller had three of his passes picked off, with two being grabbed by Glenn Gerami and one being snared by Hollier.

The Rebel defense, led by the likes of Randall Babineaux, Tommy Fisher, Paul Olivier and Brennan O'Neil, held Coach Larry Vidrine's troops to 172 yards total offense.

Teurlings is now 2-0 on the young season, and the Rebels will be on the road Friday night when they tangle with the Vermillion Catholic Screaming Eagles.

The third week of action begins for 7-AA teams and two outstanding battles are on tap.

Undefeated Cathedral will journey to Cecilia to meet the tough Bulldogs — also 2-0 — while the Notre Dame Pioneers (1-1) will host the Opelousas Catholic Vikings (2-0).

In other action, the surprise team of the district, the Teurlings Rebels (2-0) will be at Vermilion Catholic (0-2). Kaplan will go to Jennings (1-1), Catholic High (0-2) travels to Loreauville (0-2) and Erath (1-1) buses to Delcambre (0-2).

Last week Cathedral defeated Loreauville 28-0; Teurlings popped Sacred Heart 16-0; Erath lost to Hanson 6-0; Kaplan dumped VC 22-7; Notre Dame was shut out by Abbeville 15-0; and Catholic High lost a 14-12 decision to St. Martinville.

**CATHEDRAL-CECILIA**

Plenty of hitting is expected in this contest as both teams are undefeated and each possesses good personnel on offense and defense.

The Tigers are led by quarterback Todd Duke, fullback Mike Mahtook, and split end Albert Jumonville and a good offensive line, consisting of Dicky Williams and Stan Leece.

On defense, linebacker Neil Bourgeois keys the action, along with nose guard Britt Huckabay and deep backs David Lowry and Wade Kee.

Cecilia has an outstanding running attack, centered around all-purpose player Ramsey Dar Dar, Randall Collette and quarterback John Guilbeau.

**TEURLINGS-VERMILION CATHOLIC**

The Rebels are proving they are for real this year by completely dominating their two opponents, while the Screaming Eagles are having problems getting their offense untracked.

Quarterback Mark Breaux has been the main spark behind the Teurlings offensive surge that has scored 42 points this season, with his pinpoint

passing to deep threats John Hebert and Glenn Gerami.

Defensive tackles Ron Judice and Matt Foley are two of the main reasons the Rebels have allowed only six points in their first two tilts, along with linebacker Tommy Fisher and deep backs Kevin Guldry and Craig Caillier.

"We are expecting a close game," stated Teurlings' head coach Tad Tatman when asked what his observation of the contest would be. "Our game with VC is developing into a rivalry and I know they will be 'up' for the game Friday night."

The young Eagles haven't gotten their offense rolling yet, but the defense, led by Vincent Hebert has been doing an adequate job.

**OPELOUSAS CATHOLIC-NOTRE DAME**

There is always plenty of hitting going on when these two high school powers meet in their traditional "battle of the year."

For the first time in a while, it seems that inexperience has caught up with the Pioneers, but with the likes of running backs Paul Onebane and John Sanders around, they can score from any place on the field.

The Vikings are currently ranked second in the state among AA schools and they are led by All-State returnee Tim Fields who holds down the split end slot.

**KAPLAN-JENNINGS**

Both teams captured wins last week after opening night defeats and each will be looking to keep the streak alive.

The Pirates got their offense in gear last weekend to claim their easy win over the Eagles, while the Bulldogs completely dominated the Gents.

Quarterback David Domingue handles the Pirate Slot I offense, with Don Harrington, who scored three touchdowns in last week's triumph, doing most of the mail carrying.

Jennings has always been tough on the football field and this year's team led by 6-4, 220-pound signal caller Kevin Segraves, is no exception.

**CATHOLIC HIGH-LOREAUVILLE**

This game should possess some strong head knocking as both teams will be gunning for their first win of the year.

With such players as split end St. Patrick Bourgeois, tight end Mark Lapresto and fullback Barry Ferguson returning on offense, the Panthers' strong forte was supposed to be offense, but they are having problems getting points on the scoreboard.

The Tigers have been taking their lumps playing against bigger classification schools in their first two meetings, but with the likes of quarterback Chris Lissard and tailback David Lambry around, they

# Defense Carries Rebs To Win Over Eagles

By LOUIS RESWEBER

**ABBEVILLE** — "Our defense carried us through," exclaimed Teurlings Head Mentor Charles 'Tad' Tatman after his Rebel gridiron team beat the Vermilion Catholic Eagles 26-2 in a game played here Friday night.

"Our game plan was to run right at them," explained the Rebel leader, "shoving the ball down the middle and then to throw when necessary."

Scott Hollier rushed for 105 yards on 18 carries, as the Rebels gained 303 yards on the ground. Mark Braux and Tim Duhon carried for 81 and 58 yards respectively for the Rebels.

The Rebel defense was led by Paul Olivier's nine tackles and six assists, and Brennan O'Niel's eight solo stops and seven helpers.

## Defense Poised

"Our goalline defense show-

ed poise and determination," said Rebel defensive coordinator Bobby Badeaux.

Vermilion Catholic opened the scoring by taking the opening kickoff and mashing 74 yards to the Rebel one yard line where Benson Hebert punched it over for the score.

Teurlings answered in the second quarter when Scott Blakely capped a 61 yard drive by galloping nine yards to paydirt. Jon Hebert converted the extra point.

Hollier scored on a four yard carry on a play that ended a 62 yard drive in the third quarter. Hebert put the extra point through, the uprights.

## Rebs Score

The Rebels scored moments later when Hollier rambled in from seven yards out, but the PAT was missed for a 20-6 Rebel lead.

Facing a fourth and 14 at the VC 35, the Rebels used a little

'razzle-dazzle' as Braux handed the ball to one of his backs, who pitched it back to Hebert, who in turn hurled a 35 yard bomb to Glenn Gerami to end the night's scoring for both teams.

Teurlings now boasts a 3-0 overall mark and the Rebels will be at home Thursday night to entertain the Ville Platte Bulldogs.

# Teurlings Rebels Make Strong Showing In 7-AA

By AL GUIDRY  
Advertiser Sports Writer

Heading into the fourth week of the season, District 7-AA has produced some pleasant surprises.

One of the surprise has been the strong showing of the undefeated Teurlings Rebels (3-0), with the other being the Catholic High Panthers, owners of an 8-3 record.

The Rebels kick off action this week a day earlier (Thursday) by hosting the improving Ville Platte Bulldogs at Clark Field.

In Friday night's play, the Cathedral Tigers (2-1) will entertain the Breaux Bridge Tigers in a game also slated for Clark Field with Catholic High rolling out the red carpet for the Patterson Lumberjacks.

The Kaplan Pirates (1-2) will welcome the Sunset Lions, with the Notre Dame Pioneers (2-1) greeting the Vinton Lions and Erath (2-1) battling the Loreauville Tigers on home turf.

Last week's results had Teurlings popping Vermillion Catholic 26-6, Notre Dame topping Opelousas Catholic 7-0, Cathedral losing to Cecilia 28-6, Erath besting Delcambre 25-7, Kaplan being shutout by Jennings 33-0, and Catholic High dropping a 12-7 decision to Loreauville.

## Ville Platte-Teurlings

Both teams are doing a good job on the gridiron this season, but the Rebels have a little more incentive to win the contest.

"This game means a little more to me," commented Teurlings head coach Tad Tatman, "since I am from Ville Platte and coached there for six years (Sacred Heart)."

"We've developed a rivalry with them since I've been here and we are looking forward to playing the game."

The Rebels had a good offensive game against the Eagles

last week and Tatman listed Glenn Gerami, who caught a 39 yard TD pass, and tight end Tommy Meyers, who did a good job of blocking, as having good games.

Scatback Scott Hollier also had a good game, picking up 103 yards on 14 carries and scoring two touchdowns.

On the defensive side of the ledger, end Randy Reed and linebackers Brennan O'Neal and Paul Olivier turned in good performances.

The Bulldogs will be coming to town with a 2-1 record and coach Glen Lafleur's charges are improving every week.

## Breaux Bridge-Cathedral

Both teams absorbed losses last week and Cathedral will be trying to get back on the winning track, with the visiting Tigers trying to gain their first win of the year.

The Tigers of Coach Linden Bercegeay fought to the bitter end last week, but his charges weren't able to get anything going against the tough Bulldogs.

Cathedral did manage to dent the scoring column and that came in the third period on a four yard run by Mike Mahtook.

Breaux Bridge is having problems this year, but with the likes of quarterback Tom Landry and running back Tim Leblanc around, the Tigers could come of age anytime.

## Loreauville-Erath

Both teams claimed victories last week and each will be gunning to keep the streak going.

The surprising Bobcats have proven to be strong this season, with all-purpose back Mark Stoutes scoring three touchdowns in last week's win over the Panthers.

A stout defensive effort, led by end John Boudreaux and tackle Earnest Pillette, limited their opponent only one score and 136 yards total offense last week.

The Tigers pulled off a big upset last week over the Panthers as David LaBry scored two touchdowns to lead the offensive attack.

## Vinton-Notre Dame

The Pioneers won the battle of the gridiron powers last week by squeaking by the tough Vikings.

Notre Dame scored with a little more than a minute left in the initial period when Gerald Greenman worked his way over from the seven and Lance John kicked the extra point.

The Lions haven't proven to be tough on the gridiron of late and most teams in the area schedule them to break into the 'win' column.

## Sunset-Kaplan

This game will feature teams with identical records (1-2), and both will be looking to get back on the winning track after losses last week.

The Pirates traveled to Jennings last week and the always tough Bulldogs were not very nice hosts, allowing their guests only 17 yards total offense.

But this week is another game, and with the likes of running back Donald Harrington and a good offensive line, headed by center Greg Borne and guards Alex Feurejean and Russell Meaux around, the Pirates could do better.

Sunset let three scoring opportunities go down the drain in the final quarter last week and absorbed a 13-6 defeat to Port Allen.

## Patterson-Catholic High

The Panthers are having their problems generating any offense, and they have fallen short of the score in all three games.

With such runners as fullback Barry Ferguson and Roy Williams returning from last season, the Panthers' strong suite was suppose to be offense, but inexperience at the skill positions has hindered their play.

The lumberjacks are undefeated on the year and they have showed good balance, both offensively and defensively.

# Rebels Roar To 4-0 Mark

By LOUIS J. RESWEBER

The Teurlings Catholic High Rebels arrived at Clark Field amid resounding yells of "Toga!" and left chanting "We're Number One!" following their 22-13 victory over the Ville Platte Bulldogs in a game played here Thursday evening.

"I think we proved our point tonight," exclaimed glassy-eyed Coach Charles "Tad" Tatman. "We have an outstanding group of young men who are willing to pay the price to be winners."

The Rebel head coach went on to say, "I feel fortunate to have the dedicated coaching staff that I have." Praise was also in order for Matt Foley, who in his first game at his new linebacker position, accumulated 13 tackles and seven assists. Tommy Fisher also contributed to a defense that held Ville Platte to 120 yards total with 10 solos and five helpers. The Bulldogs gained a mere 20 yards passing as Lonnie Naquin picked off two Craig Ritter aeriels while another was snared by Rebel Craig Caillier.

Offensively, Teurlings was led by their courageous signal caller, Mark Breaux, who despite being terrorized by an overpowering Bulldog defensive line, completed five of 10 passes for 137 yards and one touchdown. Scott Hollier, the Rebels' leading ground gainer, covered 76 yards in 14 carries.

Though neither team could put points on the board in the first quarter, Ville Platte recovered a fumble early in the second period and with 7:18 showing on the clock where Melvin Tezeno scampered 21 yards untouched for the score. Todd Solleau followed with the extra point.

Teurlings answered four minutes later as Breaux handed to Hollier, who pitched to Jon Hebert who in turn hurled a 31-yard bomb to tight end Tommy Myers. Scott Blakely hit Naquin for the two-point conversion.

The Rebels ended the second quarter just short of the goal line as Glenn Gerami hauled in a spectacular 53-yard Breaux aerial.

Ville Platte scored the second half's initial touchdown as Desmond Thomas picked up a blocked punt and ran it in from 6 yards out.

The rest of the night belonged to the Rebels as Brennan O'Neil recovered a fumble and moments later Glenn Gerami followed with his own fumble recovery that set up a 25-yard Breaux touchdown gallop. Teurlings drew last blood following a Naquin interception with Breaux hitting Hebert on a 10-yard touchdown pass.

Teurlings, who has secured a place in the state rankings, will defend their perfect 4-0 record next week in Plaisance as they battle the Indians. Ville Platte's record now stands at 2-2.

## Onebane Score Lifts Pioneers

CROWLEY — Everyone in the stadium figured Thursday night's battle between Vinton and the homestanding Notre Dame Pioneers would be a close one. But few had visions of a decision in the final seconds.

Paul Onebane's one-yard smash with 25 seconds remaining in the tilt was the clincher for Coach Ashton Cassidy's crew, but the Pioneers had to rally for the TD in a 21-14 win.

Minutes before, with 4:17 to play, Vinton's Steve Starring scored his second touchdown of the night to knot the count at 14-all and trigger the final Notre Dame drive. Starring's tying TD was from six yards out, while his first score was a three-yard effort.

The extra point was missed on Vinton's first score, but Starring's pass to John Durio was good for a tying two-point conversion after their second score.

Jimmy Weeb started things off right for the Pioneers by returning the opening kickoff 85 yards to a touchdown. Then just 27 seconds before halftime, Kerry Gibson caught a 12-yard scoring toss from Mitchell Lege as the Pioneers made things exciting all night.

Lance John was true on all three extra point tries for the winning home club.

visitors that upped the St. Ed's season record to 2-2 and dropped VC to 0-4.

James Wimberly was the big gun in the Blue Jay arsenal rushing for four touchdowns, while Blake Courville tacked on all six extra points in the runaway.

# Undefeated Rebs Face Plaisance

By AL GUIDRY  
Advertiser Sports Writer

The leather will be popping for District 7-AA teams this week as the pre-district schedule comes to an end.

In action this week, Teurlings will be at Plaisance, Cathedral will travel to Sunset, Notre Dame will host Carencro, Kaplan traveling to Vinton, and Catholic High entertaining Hanson. Erath has an open date.

Last week's battles had Teurlings dumping Ville Platte 22-13, Cathedral blasting Breaux Bridge 41-6, Catholic High dropping a 24-9 decision to Patterson, and Erath shocking Loreauville 23-12.

Teurlings leads the pack with a 4-0 overall mark, with Notre Dame, Cathedral and Erath all being 3-1. Kaplan carries a 1-3 slate, while Catholic High is winless at 0-4.

## TEURLINGS-PLAISANCE

Both teams have good defenses, but the Rebels should get the edge with a better offense.

The Rebel defense, sparked by linebackers Matt Foley and Tommy Fisher, cornerback Lonnie Naquin and end Randall Babineaux, have allowed only 25 points during the season, while the Indians have surrendered 61 playing against top notch competition.

Leading the Rebel offensive attack that has scored 90 points on the season is quarterback Mark Breaux, running back Scott Hollier,

with center Kevin Begnaud and tackle Ron Judice anchoring the forward wall.

"We are looking for a tough game from Plaisance," said Rebel head coach Tad Tatman. "They have a good defense, but they are having trouble scoring."

The Indians are presently 1-3 on the season, but two of those losses came against the number one and two ranked Class A teams in the state.

## CATHEDRAL-SUNSET

This game will match two teams that advanced to the State AA quarterfinals last year and each knows what it takes to win.

The Tigers of Coach Linden Bercegeay used the rushing of converted tailback Albert Jumonville and the outstanding blocking of linemen Stan Leece and Dicky Williams to completely outplay Breaux Bridge last week.

On defense, end John Gumpert, noseguard Brit Huckaby and deep back David Lowry allowed the visiting Tigers only one touchdown and 157 yards total offense.

Sunset is 2-2 on the year, but with the likes of Brett Barry and Terry Meche around, the Lions could be extremely tough.

## HANSON-CATHOLIC HIGH

The Tigers were edged in the closing minutes last week, while the Panthers were overpowered by the Lumberjacks.

# Rebels Remain Unbeaten, 18-6

By LOUIS J. RESWEBER

When the state ranked Teurlings Catholic Rebels took the field to play the homestanding Plaisance Indians it seemed like neither offense wanted to score.

Following a scoreless first quarter, the Rebel defense took the initiative as Anthony Ventress was tackled for a safety by Paul Olivier, with the help of Lonnie Naquin. Minutes later Glenn Gerami and Chuck Camel tackled the Indians' Charlie Randall in their end zone for another 2-points.

Plaisance opened the second half by putting 6 points of their own on the score board when Reginald La Chapelle hit Clement Tyler with a nine-yard bullet.

Teurlings answered on the next series as Mark Breaux engineered an 81-yard drive on the strength of a 31-yard pass to Tommy Myers and a 43-yard bomb to Kevin Guidry. Breaux then punched through from one foot out, and followed by passing to Gerami for the two point conversion.

The Rebels ended the night's scoring in the same quarter with a spectacular 64-yard Breaux aerial to Gerami, who "tight-roped" down the sideline to the paydirt.

"It seems like our opponents have to score a touchdown to motivate us to play," stated Teurlings head mentor Tad Tatman. "This is the third week in a row the other team scored first." Tatman continued, "Then we came back and won by two touchdowns or more. I guess you could call us a second half club!"

Though neither team was able to run with much success, the Rebels did amass 207 yards through the air. Plaisance, led by La Chapelle and standout defender Joseph Melancon, only gained 137 total yards in the contest.

The Rebel defense was phenominal as linebackers Matt Foley, Donahue Lavergne and Paul Olivier led the defense. This is the second week in a row that Foley led the team in tackles from his new linebacker position.

Yet, it was through the power of Tommy Myers' punting that the Rebels were able to stay out of trouble and preserve the win.

## TEURLINGS-KAPLAN

This game will feature two teams that went in opposite directions during pre-league play.

But, Friday is the beginning of a new season and both teams should be keyed up for the shootout.

"It's a great feeling to the coaching staff and the players," commented Rebel Head Mentor Tad Tatman. "to be undefeated going into district play."

"But, the next five games are money games and we will have to be better prepared and play with more intensity. Kaplan has a balanced attack in that they have a good rushing attack and passing attack. I am looking for an aggressive game from both teams."

Teurlings has been living via the pass most of the season with quarterback Mark Breaux throwing long bombs to such receivers as Jon Hebert, Tommy Myers, Kevin Guidry and Glenn Geraini.

When the Rebels do rush the football, scatbacks Scott Hollier and Scott Blakely and Tim Duhon usually get the call.

Opening holes on the offensive line are tackles Matt Foley and Ron Judice, along with guards Tommy Fisher and Brennan O'Neil, with Kevin Begnaud doing the pivot work.

Anchoring the Rebel defen-

sive unit that has only given up 31 points (6.5 ppg) is linebackers Paul Olivier and converted tackle Foley.

Kaplan has played a pretty tough schedule in pre-season action and it found the going tough.

David Domingue calls the signals for the Pirates and he has adequate backs in Lee Roy St. Amant and Peter Vincent.

Linebacker Alex Feurejean heads the defense, along with end Kent Meaux and tackle Glen Landry.

## ERATH-CATHOLIC HIGH

These two teams have been the surprises of the district as the Bobcats are having a good year and the Panthers are having their problems.

As Mark Stoutes goes, so goes the Bobcats, as he's been doing the brunt of the scoring all year.

# Teurlings Claims 7-AA Win

By LOUIS J. RESWEBER

KAPLAN — Head Coach Tad Tatman said "This team has a lot of pride" as his Teurlings Catholic High Rebels traveled to Kaplan determined to ruin the Pirate's Homecoming, but more importantly to extend their perfect 5-0 slate.

They accomplished this and more, as the Rebels beat Kaplan High by a score of 28-0 in a game played here Friday night.

Scott Hollier led the Rebels

by rushing for 131 yards in 18 carries, for an astounding 7.2 yards per carry. His backfield partner, Scott Blakely carried 11 times for 76 yards. Mark Breaux commanded the airways by passing for 109 yards, throwing seven aeriels and completing four, two of those for scores.

The Rebels put their first points on the board following a Randy Reed fumble recovery on the Kaplan 43. The fantastic yet underated defensive

lineman led all Rebel defenders by tallying 10 tackles, seven assists and two fumble recoveries. Teurlings then drove the ball down to the Pirate three, where Breaux slipped in for the score.

Kaplan, led by their signal caller, David Domingue, then rambled to the Rebel seven yard line. There, a tough goalline defense held the Pirates on four consecutive plays, refusing to let them score.

Following that stand, the Rebels took possession and drove 82 yards to the Kaplan

six, where Hollier punched for the score. Breaux then passed to Jon Hebert for the two point conversion.

Hollier galloped 43 yards in vain on the opening play of the second half, as the Rebels were forced to punt. Tom Myers' kick was blocked, though, on the night he had two other fantastic kicks of 48 and 42 yards apiece. Kaplan did not capitalize on the block.

The first minutes of the fourth period belonged to Hebert, as he caught a 33 yard aerial from Breaux, and then

hauled in an 11 yard scoring loss. Hebert himself followed with the PAT kick.

Glenn Gerami scored the final points of the night by pulling down a 38 yard bomb from Breaux, and Hebert kicked another conversion point.

Donahue Laverne, Matt Foley, and Paul Olivier also contributed to a defensive squad that has ever been scored on in the fourth quarter. Tonight's battle was the first district 7-AA encounter for the squads, as the state ranked Rebels now stand at 6-0.

# Comeaux Brothers Pace Delcambre By Eagles

DELCAMBRE — The Delcambre Panthers whipped the Vermilion Catholic Screaming Eagles here Friday night 34-8.

Delcambre scored in every quarter as the Comeaux brothers, Romulus and Col-

umbus put on their annual show for the home folks.

Romulus put the Panthers on the scoreboard first with 4:55 left in the first quarter as he wandered into the end zone from the three. Romulus scored again with 8:24 left in

the first half again on a three-yard run.

Brother Columbus joined Romulus in the TD act with 1:41 left in the half when Romulus failed to handle a snap from center on fourth down. He scampered with the

Screaming Eagles didn't manage a first down until 3:00 was left in the third quarter.

Vermilion Catholic scored with 4:21 remaining in the game as Benson Hebert scored from five yards out.

# Undefeated Rebs Take On Panthers Tonight

By AL GUIDRY  
Advertiser Sports Writer

The second week of league play gets underway in District 7-AA and with the action witnessed last weekend, it seems that the league will be very competitive.

Teurlings continued its winning ways by stopping Kaplan 28-0, Notre Dame edged Cathedral 6-0, and Erath slipped by Catholic High 17-13.

On the season, Teurlings is still undefeated at 6-0, with Notre Dame second at 5-1. Erath carries a 4-1 slate, while Cathedral is now 4-2. Kaplan and Catholic High both stand at 1-5.

In action this week, Teurlings will host Catholic High tonight, while Cathedral entertains Kaplan and Notre Dame buses to Erath in Friday night tilts.

## CATHOLIC HIGH-TEURLINGS

The Panthers need a win if they are looking for post season action, while a win by the Rebels will keep them atop the standings.

Teurlings turned its trend of passing to rushing in last week's contest against the Pirates and the Rebels came up with 250 yards via the ground route.

Quarterback Mark Breau passed seven times in the game and completed four for 109 yards and two touchdowns. He also scored once.

Scott Hollier scored the other TD for the Rebels as he tallied on a six yard run. The talented Rebel runner had an outstanding game as he rushed for 131 yards on 18 carries.

On the defensive side of the ledger, end Randy Reed had probably his best game of his career as he had 10 solo tackles, seven assists and recovered two fumbles.

"Their record is misleading," stated Rebel Head Mentor Tad Tatman, "because they have good athletes and it's just a matter of them getting things together. They are going to upset someone in the league before it's all over."

"Teurlings has never beaten Catholic High in football," he

answered when asked if there was any chance of his charges having a letdown after last week's big win, "so I am not expecting a letdown. We have to continue winning if we are to make the playoffs."

The Panthers almost captured the win against the Bobcats as they held the lead in the final minutes of play, but couldn't hold it.

Running back Barry Ferguson scored both Panther touchdowns on runs of four and 15 yards.

## KAPLAN-CATHEDRAL

This game should be hotly contested as both teams suffered opening night defeat and each will be trying to get back in the 'win' column.

The Tigers knocked heads with the Pioneers for three quarters last Friday, but the fourth quarter proved to be disastrous as they allowed ND to score.

A stout defensive effort, led by linebacker Nell Bourgeois and backs David Lowry and Wade Key, allowed the Pioneers only 180 yards

rushing and four yards passing.

The Pirates couldn't get anything going against the tough Rebel defense and fell to defeat.

Kaplan had a fair night rushing the ball as it pushed the Rebel line back for 152 stripes behind the dashes of David Domingue.

## NOTRE DAME-ERATH

Plenty of action is expected in this game as both teams are undefeated in league play and a win would go very far in determining which team will have a shot at winning the district title.

Both teams are having good years and the Bobcats used their ground attack to claim the win, while the Pioneers rallied behind their defense.

The Bobcats captured their thriller over the Panthers when John Boudreaux hauled in a 10 yard pass from signal caller Stern Cormier.

Notre Dame's only TD came with 5:00 left in the fourth quarter with Kerry Gibson catching a four yard strike from Mike Leger.

# Rebs Remain Undefeated

By JONAS BREAUX  
Advertiser Sports Writer

The Teurlings Rebels cranked up their winning machine a bit early this week, and found everything in order as they blitzed 7-AA foe Central Catholic of New Iberia 28-0 Thursday night at Clark Field. The Rebs kept their work sheet clean for the season by upping their mark to 7-0, while the CC Panthers fell to 1-6. In district battles it's Teurlings riding atop the standings with a 2-0 record. Central Catholic has yet to win a district tilt in two attempts.

## Reb Firepower

It took the Teurlings Rebs until the third quarter to really get untracked Thursday night, but when the horn sounded ending the game the results were still impressive.

The Rebels were virtually unstoppable on offense, as the combination of strong rushing and explosive passing attacks riddled the Panthers' defense 392 total yards.

Handling most of the running chores for the Rebs was senior running back Scott Hollier, who blasted, slashed, and banged for 165 yards on 29 carries. Many of Hollier's yards came after having made contact with at least two Panther defenders.

When Hollier wasn't carrying the pigskin Reb quarterback Mark Breaux was handing it to senior back Scott

Blakely, who led the Rebels in a 31-yard drive, marching from their own 33 to CCN's 10 yard line before turning the ball over to the Panthers on a fumble.

Three plays later it was the Rebs returning the favor when Randall Babineux pounced on a Panther miscue, giving the Rebels the ball at CC's 31.

On Teurlings' first play following the fumble recovery Breaux found end Jon Hebert wide open in the Panther secondary and speared him for a TD.

The Rebels tried for a two point conversion following the score but were unsuccessful, with the scoreboard reading 6-0 Teurlings at the half.

## Reb Explosion

The Panthers took the kick to open the second half and after three attempts failed to make a first down and were forced to punt.

Teurlings then began its first drive of the final half, and with the help of a fourth down penalty against CC which gave the Rebs a first down, TCH put together a 10-play drive which ended with Breaux firing a six yard TD pass to Hebert to make the score 12-0.

Later in the third period Breaux again went to the air for a tally, this time to Glenn Gerami. The score came on the first play following a Rebel fumble recovery and covered 68 yards.

The Rebs' final score was also a result of the TCH defense causing a turnover. With just over two minutes remaining in the game Gerami stepped in front of a Panther receiver for an interception scampering 73 yards before being hauled down on the CC six. On the next play Blakely ran it in for the final tally of the night.

# Teurlings Aerial Show Has Produced Winner

By LOUIS J. RESWEBER

In 1913, quarterback Gus Dorais of Notre Dame University passed several times to his end, Knute Rockne, leading the Fighting Irish to a 35-13 victory over a highly favored Army team; but more importantly, establishing the forward pass as a fundamental, productive and exciting part of the game of football.

Since that fateful autumn afternoon, many professional, college, and high school teams have gone on to use the forward pass effectively and victoriously. The Teurlings Catholic High School Rebels are one of these.

Most people did not expect to see much from Tad Tatman's gridiron squad this season. Yet, with the help of coaches Bobby Green, Bob Badeaux, and Rick Landry, Tatman has turned his squad into a top caliber contender. The Rebels now display a perfect 7-0 slate, with a 2-0 district record. They have been state ranked for five consecutive weeks and are looking forward to their final three games and possible post season action.

The Rebel victories have come mostly through the airways.

## Big Passer

Led by the outstanding senior signal caller,

"Hollywood" Mark Breaux, the Rebels have gained 974 yards in the air. Breaux has thrown 11 touchdown passes and has only been intercepted four times.

The Teurlings field general has usually had a sufficient amount of time to throw as the coaching staff has instituted a new pass blocking scheme for the offensive line, anchored by Brennon O'Niel, Randall Babineaux, Ron Judice and Kevin Begnaud.

Coach Green (Teurlings' offensive coordinator) credits much of their aerial effectiveness to the front wall's work and to the use of many play action passes.

Breaux's favorite targets are seniors Glenn Gerami, Tom Myers; juniors Jon Hebert, Jerry Colley; and sophomore Kevin Guidry.

Glenn "Sea Biscuit" Gerami, the fastest Rebel on the field, has caught 12 passes for 481 yards and five touchdowns. Gerami is nearly unstoppable in the open field, as he is a 50 flat 440 runner during track season and also plays defense. He has also snared five interceptions this year and has returned one for 73 yards.

Tom Myers, who also handles Teurlings punting chores, has four receptions on the season for 99 yards and

one score. "Hands" also contributes with fantastic blocks on Rebel sweeps.

## Hot Dog Can Score

Versatile Jon "Hot Dog" Hebert is possibly Breaux's best scoring threat as he has taken six of his nine catches to paydirt, covering 189 stripes. Hebert also handles kickoffs, extra point kicks, some punts and has passed for two touchdowns and many two-point conversions. He also runs track and plays basketball for Teurlings during the year.

Tatman, in his third year as

head football coach and Athletic Director at Teurlings, needs only one more victory to match the best record in the Rebels' history. The 1972 team finished the year with an 8-2 record and a bi-district playoff berth.

The Coach and his squad are now preparing for Friday night's Homecoming game versus the Bobcats of Erath and will follow with contests against the always powerful Cathedral-Carmel Tigers, and defending district 7-AA champion, Notre Dame.

### ERATH-TEURLINGS

This game means more to the Rebels because they are celebrating homecoming, but the Bobcats will be geared up for the upset of the league leaders.

Defense has been the Rebels strong suit as they've allowed only 31 points to be scored against them the whole season. In two league battles, the Rebels have not allowed their opponents to dent the scoreboard.

Paul Olivier, who was named the defensive player of the week by the Advertiser, had a phenomenal game against the Panthers as he picked up 15 solo tackles and nine assists.

The stellar athlete leads the defensive squad with 61 individual tackles and he has teamed with end Randy Reed, linebacker Matt Foley, tackles Donaghue Lavergne and Ron Judice to form a unit that is hard to penetrate.

On offense, Scott Hollier leads the charge with 609 yards on 106 tries, with running mate Scott Blakely, who escorts Hollier on most of the running plays, gaining 230 stripes on 50 totes.

"Erath is a real physical team," commented Rebel Head Coach Tad Tatman. "They have one of the better

running backs (Mark Stoutes) in the area.

"We will have to throw the ball more than we have been doing, but I think the momentum is starting to build in the kids after our two district win."

Stoutes has been the workhorse of the Erath rushing attack, but quarterback Stern Cormier has showed signs of being an excellent field general.

The defense is led by end John Boudreaux, linebacker Lance Mergist and back Gary Richard.

### KAPLAN-NOTRE DAME

The Pioneers need a win to keep in contention for the league title, while all the Pirates have left is to play for pride.

John Sanders was moved to tailback, after Paul Onebane was injured and maybe out for the season, and the stellar athlete responded by scoring four touchdowns for the Pioneers against the Bobcats.

Turnovers have been plaguing the Pirates all season, but they have enough talent to score from anyplace on the field.

David Domingue operates the Pirate offense, with LeRoy St. Amant carrying the mail.

# Teurlings Rebels Rip Erath

By LOUIS J. RESWEBER

Following Teurlings Catholic High's 28-7 victory over the Erath Bobcats, Maria Duhon was proudly wearing the crown of Homecoming Queen and the Rebels were proudly displaying the only undefeated record in District 7-AA.

"It was a good overall team performance!" commented the state-ranked squad's head

coach, Tad Tatman. "On offense we did what was necessary. We moved the ball fairly well in the second half and the defense came through with big plays."

"It's a great feeling to be 8-0," Tatman went on to say. All-District back Scott Hollier was obviously feeling great, as he carried the pigskin eight times while gaining 127 yards

for a 15.8 average. Quarterback Mark Breaux contributed by completing three of six passes for 102 yards, two of which were caught by Glenn Gerami, who also intercepted an Erath toss.

The Teurlings "Toga" defense was led by standout linebacker Paul Olivier, who tallied eight solo stops and 11 assists. Brennon O'Neil, Kevin Begnaud and Tracy Pool also

had superb defensive games as did Lonnie Naquin who snared a Bobcat aerial.

Erath, led by Mark Stoutes' 115 yards in 30 carries, was the first team to score. Stern Cormier pegged a 13 yard throw to John Boudreaux for six points. Dewey Domingues put the extra point kick through the uprights.

Hollier answered on the Rebels first play from the line

of scrimmage by taking a routine run through the line 73 yards to paydirt. Then, Breux hit Tommy Myers for the conversion.

The Erath Defense stopped Teurlings on the Rebs' next offensive possession but Myers booted a 63 yard punt to keep them out of trouble. Myers averaged 49.3 yards on 3 kicks.

In the second quarter, Breaux pitched to Scott Hollier, who galloped 17 yards and crossed the goal line for the Rebels' second score. Hollier capped the half's scoring by running in the extra points.

Neither squads put points on the board in the third period, though Breux did find Myers for a 63 yard bomb to the Bobcat one, where Breaux promptly punched through for the touchdown. On the following series Gerami hauled in a 37 yard toss to Erath's two yard line. Breux then hit Gerami again for the score.

Erath's last chance to score was stopped short when John Couvillion came from behind to tackle a seemingly touchdown-bound Mark Stoutes.

The Rebels will be at home next week to take on the powerful Notre Dame Pioneers and will follow with Cathedral Carmel. "It will take a great team effort in the next two games," Tatman said.

## Extra Point Success Lifts Hanson Tigers

FRANKLIN - Going into the Hanson High - Loreauville High game here Friday night everyone concerned knew it would be some kind of game. It was all they expected as the two teams battled up and down the field all night in a brutal defensive war. Hanson

won it 7-6 and will remember it tomorrow.

Hanson scored in the third quarter and Loreauville in the fourth and the only difference was that the valiant try for two failed the battling Tigers from Loreauville.

The Loreauville Tigers' vaunted DOG defense fell

short on their job only once all night as they allowed Harold Clausen to slip into the end zone from the seven yard line. Alton Broussard kicked what could be the most important

extra point he has or will ever kick.

Broussard's conversion turned out to be the winning margin and in most circles it is believed that it won the district crown for Hanson.

Loreauville, to their credit, continued to battle the depth-laden Hanson team and was finally able to score in the fourth quarter as Chris Lissard banged over from the one to give Loreauville hope.

That hope was short-lived as Lissard was tackled short of the wide stripe that would have brought victory to Loreauville. Not only

Broussard will be remembered for his boot, but so will the youngster who made the tackle on Lissard on the conversion attempt.

Hanson, after the slowest start in the school's history has seemingly put it all together at this point in the season. The win over Loreauville gave them a perfect 3-0 record in district play and evened their season record at 4-4.

Loreauville is now 2-1 in district action and 3-5 on the season.

## Use Right Formula— Give It To Romulus

DELCAMBRE - The main idea here Friday night at the Delcambre homecoming battle was to give the ball to Romulus Comeaux and see what he could do with the Plaisance defense.

Things worked out well for the home club, as Comeaux rushed 22 times for 75 yards and scored all three touchdowns in a 20-14 District 9-A victory.

Comeaux scored from eight yards out as the Panthers took a 7-6 first half margin. The

Plaisance score came on a seven - yard pass from Reggie Lachapelle to Charlie Randall.

### Tied Up

That same combination forced a 14-all tie after Comeaux's four-yard scoring jaunt in the third period. The second Lachapelle - to - Randall connection was good for 12 yards.

But Comeaux came through in the fourth period with the winning score from one yard out to send the homecoming

through home in a partying mood.

It was a penalty - filled contest, with seven fouls whistled on each club for a total penalty mark-off of 130 yards. Many of those infractions ruined potential scoring drives for both clubs.

With the victory, Delcambre is 2-6 overall and 2-1 in 9-A action. Plaisance fell to 2-6 and 1-2.

## Press Box Viewings

by AL GUIDRY

**The Teurlings Rebels** are presently undefeated on the season and ranked 13th in the state Class AA circles.

Rallying around a big play offense and a block busting defense, the Rebels have been making a name for themselves this season.

Coach Tat Tatman's charges have lived via the long bomb this year as they have won eight straight games on their way to scoring 192 points and allowing only 38.

**One of the reasons** the Rebels have been so tough on defense has been the overall play of linebacker Paul Olivier.

The senior 5-10, 175 pounder has been the stalwart of the Rebel defensive unit, picking up 70 tackles thus far on the season.

Coach Tatman has plenty of praise for his talented player as he commented, "Paul is a dedicated and determined player. He is mean and aggressive. He gives 100 percent in practice and 120 percent on the field."

**Asked what role** Paul plays on the team, Tatman answered, "He is a team leader. The kids look up to him for his leadership."

Paul plays both ways (offensive guard-linebacker) but Coach Tatman thinks he is better on defense.

"He loves to hit people," Tatman stated. "Paul is willing to pay the price in that he will do what it takes to win a game."

**Paul has been** playing football for five years and he has been on the Rebel varsity for the past two seasons.

Last season he was picked as an honorable mention on the All-District and All-Catholic squad.

Paul does a good job blocking for the Rebel when he is through but he prefers a play where he can hit people.

"I like defense better," he said, "because I can knock people around and I like to hit people."

Olivier has plenty of respect for Coach Tatman as he commented, "He is a fine coach. He cares plenty about the team and he likes to win as much as we do. He knows how to win and he developed winners at Teurlings."

Asked how he thinks the team will do in district, Paul replied, "I think we have a good chance of winning the championship if we stick together and play like we are capable."

If they are going to win the title, he thinks that the Rebels will have to beat two teams.

"Notre Dame has a tradition," he explained, "of being a powerhouse and Cathedral, because they have plenty of talent."

Like most athletes, Paul has set both personal and team goals for his final campaign at Teurlings.

"I would like to make All-District," he replied, "and I would like for us to get into the state playoffs."

Looking back over the past two seasons, Paul says that the best game he played in was against Catholic High last week.

"I made 15 individual tackles," he boasts, "and nine assists and I also knocked down three passes in the game."

For his outstanding accomplishments against the Panthers, he was picked as the Advertiser Defensive Player of the Week.

Most athletes have their own way of preparing for a game and Paul explains his method.

"I go home after school," he said, "and listen to my stereo. Then, I go back to school and keep quiet and think about the game and what I have to do."

Paul capped off an outstanding junior campaign last season by garnering MVP defensive honors in the Yam Bowl as he came up with 15 solo tackles and 10 assists.

For the season, he had 49 individual tackles, 31 helpers and he also had one interception that he ran back for a touchdown.

"I think every team needs a Paul Olivier," said Tatman, "to be a winner."

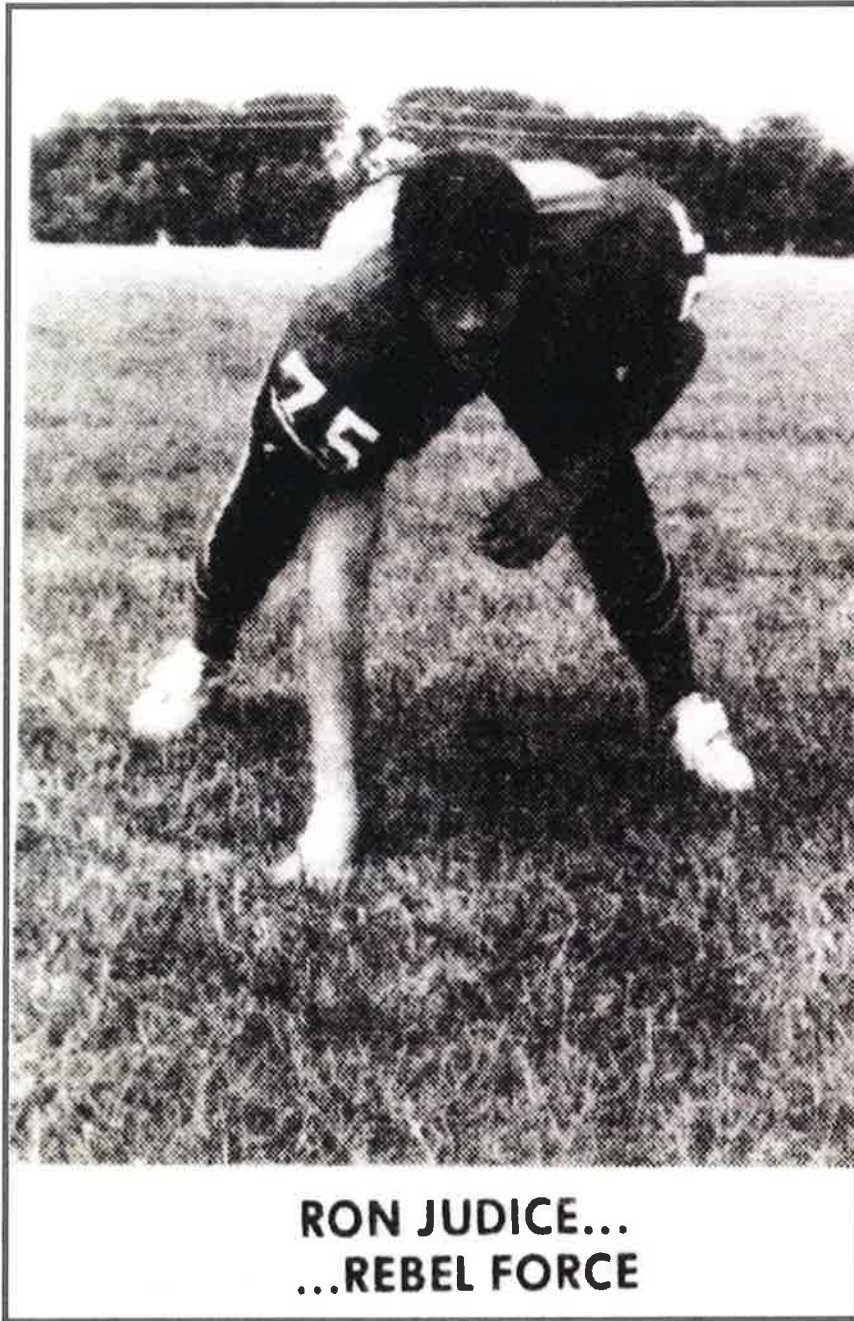

**Tatman should know.**

# League Title On The Line In 7-AA Tilt

By AL GUIDRY  
Advertiser Sports Writer

Three important games are on tap Friday night as District 7-AA begins its fourth week of play.

The league title could be on the line at Clark Field when the Teurlings Rebels (3-0) host the Notre Dame Pioneers (3-0).

In the other tilt, a possible runner-up spot is up for grabs when the Cathedral Tigers (2-1) invade the home of the Erath Bobcats (1-2).

Just as important is the third encounter of the night when the Kaplan Pirates entertain the Catholic High Panthers.

Both teams are 0-3 in district play and another loss would clinch the league cellar for the loser.

The Rebels are still undefeated on the year and they carry an 8-0 mark, with the Pioneers next at 7-1. Cathedral is third with a 6-2 mark and the Tigers are followed by Erath at 4-3. Catholic High and Kaplan are next with 1-7 slates.

Last week's action had Teurlings beating Erath 28-7, Cathedral shutting out Catholic High 28-0 and Notre Dame besting Kaplan 32-7.

## Notre Dame-Teurlings

The battle of the year in the district is expected in this game, with the eventual winner likely walking away with the league championship.

Both teams have good offensive personnel, with the Rebels attack centered around the pass and the Pioneers using the rushing attack.

Rebel signal caller Mark Breau is having a

phenominal year as he's passed for 954 yards and 12 touchdowns.

Most of his bombs have been to tight end Jon Hebert and split end Glenn Gerami, while his short strikes have been to Tommy Myers and Kevin Guidry.

Converted fullback John Sanders has taken up the slack for the injured Paul Onebane and he's done a remarkable job scoring five touchdowns in two games.

"This is probably the biggest game in the history of Teurlings High School," estimated Rebel Head Coach Tad Talman. "Notre Dame has been in the playoffs for seven years in a row and they are undefeated the last four years in district play."

"The game is a big challenge for us and one that we accept with enthusiasm. We know that we will have to rise to the occasion and play errorless football."

"Our team and coaches are looking forward to Friday night's game."

On defense, the Rebels have allowed only 38 points all season, while the Pioneers have given up 36.

Ends Randy Reed and Randall Babineaux have been tough against the wide runs of their opponents and tackle Ron Judice has been taking care of the inside tries.

The Rebels have three good linebackers in Matt Foley, Paul Olivier and Brennan O'Neil, with Scott Hollier and Scott Hollier manning the corners.

In the deep secondary, Craig Caillier, Gerami, and Lonnie Naquin have been extremely tough to throw long

# Unknown, Unranked Rebs Shock Fourth-Rated ND

By AL GUIDRY  
Advertiser Sports Writer

"I wonder if we are going to be ranked in the top 10 this week?"

That was the question asked by Teurlings Head Coach Tad Tatman after his Rebels pulled off the biggest shocker of the year, a 28-19 7-AA victory over the fourth ranked Notre Dame Pioneers in a game played Friday night at Clark Field.

The win keeps the Rebels undefeated on the year as they are now 9-0 on the season and 4-0 in district play, while the Pioneers drop to 7-2 and 3-1 in league battles.

## Rebs Dominate

Teurlings dominated the majority of the contest, as they gained 160 yards on the ground behind the dashes of Scott Hollier and Scott Blakeley, and quarterback Mark Breaux completed 12 of 21 passes for 209 stripes and two touchdowns.

Breaux has now passed for 1163 yards and has slinged 14 touchdowns for the undefeated and unranked Rebels.

It was the second time this season that the 'unknown'

Rebels have defeated a Class AA ranked team as they took a 16-0 win over the ninth ranked Trojans earlier in the year.

## Biggest Thrill

"The win has to be the biggest thrill of my life," stated an overjoyed Tatman after the game. "These boys have worked for everything they've gotten and every week we have to prove ourselves."

"It was a great team effort in the second half. This team has plenty of character and they never quit and it showed in the second half."

Trailing 19-8 at halftime, the Rebels came to life in the second half and completely dominated the last two periods by scoring 20 points and the famous 'Toga' defense held the Pioneers scoreless to cap the victory.

## Hollier Rambles

Scatback Scott Hollier got things rolling at the start of the third period as he scampered in from 10 yards out on a quick trap up the middle with 6:54 left. The Rebs went for two and Jon Hebert hauled in a pass from Mark Breaux to cut the deficit to 19-16.

The fired up Rebels kicked

off to the Pioneers and three minutes later, they received a punt and went in all the way in what proved to be the winning touchdown.

Teurlings started the drive on its own 19 yard line and marched the length of the field in 16 plays with Hollier bullying his way over from the one in a drive which carried into the final period and 9:19 showing on the clock. The pass for the PAT failed, but the Rebels led by three (22-19).

## Pioneers Moved

After an exchange of punts, the Pioneers received the ball on their own 25 with 6:13 left in the contest and started moving the ball down the field. After John Sanders gained eight over left tackle, quarterback Mitchell Leger connected with Jimmy Webb on plays covering 10 and 20 yards, down to the Rebel 30.

From that point, a stout defensive effort, led by linebackers Paul Olivier, Brennan O'Neil, and Matt Foley, knocked down three straight passes to hold off the Pioneers and take over on downs at their own 20 yard line.

The Pioneers held the Rebels on the next three plays and forced their opponents to punt, but the punter was roughed up and gave the Rebels new life at the 43.

## Gerami Hauls

Glenn Gerami got things started when he gained 28 yards on an end around and Breaux connected with Tommy Myers for three yards, down to the 26.

From there, the Rebels scored with just 3:33 showing on the stadium clock when Hebert beat the Pioneer secondary to haul in a 26 yard bomb from Breaux. The pass failed, but the Rebels had clinched the victory.

Notre Dame had taken a 7-0 first quarter lead when John Sanders bulled his way over from the one with 7:43 left and Jeff Meche split the uprights to end the initial period scoring.

## Rebels Rally

The Rebels came back at the start of the second stanza and Gerami hauled in a 41 yard pass from Breaux with 7:16 left before the ball to cut the deficit to one. Tommy Myers pulled in a pass from Breaux as the Rebels went for the two point conversion and they were successful to take an unbelievable 8-7 lead.

But, that lead was short lived as Jimmy Webb took the ensuing kickoffs at his own 10 yard line and outraced the

Rebels down the sidelines for a 90 yard kickoff return. The pass for a two failed, but the Pioneers led 13-8.

Notre Dame recorded a big break with 3:12 left in the first half when it blocked a Rebel punt and took over on the Teurlings 19 yard line.

## Pioneers Score

From that point, it took the Pioneers only two plays with Paul Onebane diving over from the one with 1:50 left before the break and the two point conversion pass failed to end the first half scoring.

Teurlings will end the season in a 7-AA encounter against cross-town rival Cathedral, with the Pioneers traveling to New Iberia to meet the Catholic High Panthers.

# Tigers, Rebs Set For Title Battle

By AL GUIDRY  
Advertiser Sports Writer

The magic number for the Teurlings Rebels is one: the Cathedral Tigers need a seven or nine and the Notre Dame Pioneers hope for a six or less.

Confused? Well, that's the situation in District 7-AA as a Rebel victory over the Tigers Friday night will hand them the title on a silver platter.

By virtue of the Pioneers' 6-0 victory over the Tigers earlier in the season and the Rebels defeating Notre Dame last week, Cathedral has to beat Teurlings by nine to claim the league title.

But, the Tigers can still come out second in the league if they beat the Rebels by seven or eight points.

If Cathedral wins, but they only beat the Rebels by six or less, then the Pioneers would represent the league as the runners-up. Understand?

The Rebels are still at the top of the heap after nine weeks of play with a 9-0 mark and a 4-0 district slate, with Cathedral and Notre Dame next at 7-2 and 3-1, respectively. Erath (4-4, 1-3) is in fourth place, while Catholic High (2-7, 1-3) and Kaplan (1-8, 0-4) bring in the rear.

In action last week, Teurlings smoked Notre Dame 28-19. Cathedral blasted Erath 49-22, and Catholic High shutout Kaplan 13-0.

Battlers this week have the Tigers hosting the Rebels at Clark Field, Notre Dame traveling to Catholic High and Kaplan busing to Erath.

## TEURLINGS-CATHEDRAL

All the tricks will be pulled in this battle as the league title is on the line, but the contest is also homecoming for the Tigers, which should give them added incentive.

The Rebels pulled off their biggest win in the school's history last week with their defeat of the Pioneers.

Field general Mark Broaux had a phenomenal night passing as he drove the Pioneer defensive backs dizzy by hitting on 12 of 21 passes for 209 yards and two touchdowns.

When not using their vaunted passing attack, the Rebels used the ground game to perfection, with Scott Blakely and Scott Hollier racking up most of the 160 yards the Rebels gained during the game.

Most of the credit for the Rebels gaining so much yardage has to be the offensive line, where center Kevin Begnaud, guards Brennan O'Neil and Randall Babineaux, tackles Ron Judice and Jimmy Reed and tight end Jon Hebert operate.

A stout defensive effort, led by linebackers Paul Olivier and Matt Foley, limited the tough Pioneer rushing attack to 158 yards on the night, with most coming in the first half.

The Rebels' front four of end Babineaux, and Randy Reed and tackles Ron Judice and Donaghue Lavergne kept the Pioneer runners bottled up most of the second half.

Cornerbacks Hollier and Blakely combined with safeties Glenn Gerami and Craig Caillier to limit ND only 90 yards passing and they intercepted three passes during the game.

"We will have to play with the same kind of intensity," stated Teurlings' Head Coach Tad Tatman, "that we played against Notre Dame. This is a big rivalry and we shouldn't have any trouble getting our boys up for Cathedral."

"We need one more win for

a perfect season and the district championship. Cathedral is a well coached football team that has real good athletes. We know that they will be ready to play us because it's also their homecoming."

Cathedral used its patented rushing attack to completely outplay the Bobcats last Friday.

The Tigers rushed the pigskin for 366 yards and five of the six touchdowns came via the ground game. The other TD was a 38-yard fumble return by Mick Manuel.

Fullback Mike Mahtook and tailback John Gumpert led the Tigers in scoring as both runners hit paydirt twice.

Also putting points on the scoreboard for the Tigers were Albert Jumonville and Ashton Langlinais, with Wendell Guidry kicking five extra points.

Plenty of credit goes to the Tiger offensive line of center Dicky Williams, guards Neil Bourgeois and Billy Durel, tackles Stan Leece and Greg Smith and tight end Stuart Jones, who has been hobbled by injuries of late.

On the defensive side of the ledger, Gumpert and Jess Spiehler are the ends, with Larry Luckey and Robert Frey manning the tackle slots. Brit Huckaby handles most of the work at the noseguard position.

Bourgeois and Mike Calkins are the Tiger linebackers with Jumonville, David Lowry, Wade Kee and Jerry Summers taking care of the opponents' passing attack.

# Tigers Defy Odds, Win 7-AA Crown

By AL GUIDRY  
Advertiser Sports Writer

The Cathedral Tigers had to overcome tremendous odds, but they are the new District 7-AA champions.

That came about as the Tigers defeated the previously undefeated Teurlings Rebels by a 46-30 margin before an overflow crowd Friday night at Clark Field.

Cathedral needed to win the contest by nine or more points to claim the league title, but a fired up bunch of Tigers won the crown in fine fashion with the surprisingly easy victory.

**Tigers Kick**  
With the win, the Tigers end the season with a 4-1 league mark and a 3-2 overall slate, while the Rebels finish at 0-1 and 4-1, against district rivals at Clark Field.

Glenn Gerami halted in two scoring passes for the Rebels, with Mark Breaux scoring once and Tommy Myers also hitting paydirt.

**Strategy Backfired**  
A bit of strategy on the part of the Tigers backfired, as Cathedral won the opening flip, but they elected to kickoff.

The Rebels took the kick on their own 20 and marched the length of the field in eight plays, with Breaux hitting Gerami on a sideline pattern and the receiver side stopped a Tiger defender and rambled to paydirt from 35 yards out.

After a series of turnovers, the Tigers caught fire and went in at the 4:50 mark with Jutsonville running up the middle on a wingback reverse from 11 yards out. The Tigers then tied the contest at 8 all when David Lowry caught a two-point conversion pass from Todd Duke.

**Tigers Rally**  
From that point on, the first half was all for the Tigers as they took advantage of some mistakes by the Rebels to

score 22 points in the second period and lead 30-8 at halftime.

The Tigers took the ball with 11:48 left before the break on their own 20 yard line and went all the way in five plays, with Jutsonville hauling in a 50-yard pass from Duke one minute and six seconds later.

Buddy Breaux, who had 76 yards rushing in the first half, did the honors for the Tigers with a 45 yard field goal from the eight yard line. Mahtook barreled his way over for the two-point conversion.

**Cathedral Holds**  
After holding the Rebels to

three plays and a punt, Cathedral took the ball on its own 21 and went in to score with 1:02 showing on the clock as Duke found David Lowry open in the endzone and hit him with a nine yard pass. Guidry came on and added his final PAT of the night.

The Rebels caught fire at the start of the third period when Craig Coillier intercepted a Duke pass at the 25 and ran it back to the 40.

From that point, the Rebels faltered from 60 yards out in six plays, with Gerami catching a nine yard pass from Breaux. The Rebel quarterback ran the playbook over for the two-point conversion to cut the Tiger lead to 36-16.

**Big Break**  
Teurlings received a big break late in the third quarter when Mahtook tumbled the center snap and poured out of bounds on his own 20 yard line with 31 ticks showing on the clock.

Scott Blakey started things off for the Rebels as he carried on a sweep around right end for 17, down to the three, but a stout defensive effort by the Tigers held them for three plays.

On fourth and goal, Breaux threw in the endzone for Gerami, but he was interfered with and the Rebels received new life with a first and goal at the one.

**Breaux Sneaked**  
Breux then sneaked over from the one yard line with 3:45 left on the clock for the touchdown, but the pass for two failed and the Tigers still led 36-22.

From that point, the roof caved in on the Rebels, which allowed the Tigers to score two touchdowns and a safety to knock the important district title.

Mahtook tallied both times for the Tigers on runs of five and one yard, with the safety being recorded when Scott Holler was tackled in the end zone when he fumbled a Patterson-Loranger matchup, on the winner's field.

**Rebels Fought**  
The Rebels fought to the bitter end like true champions and took the ball on their own 48 with 5:00 left in the contest and went in to score three minutes later when Tommy Myers pulled in a nine yard pass from Breux. Hebert then caught a two-point conversion from Breux to end the night's scoring.

It was not certain at press time, but both 7-AA members will get a bye next week, in state playoff action with the Tigers probably playing the winner of Independence and White Castle on home turf. The Rebels will possibly take on the survivor of the Patterson-Loranger matchup, on the winner's field.

## Morgan City Pulls Upset Of New Iberia Jackets

**MORGAN CITY** — Playing on little other than pride in their program, the Morgan City Tigers posted a stunning 13-0 upset over the No. 5-ranked New Iberia Yellow Jackets

Friday night in the season finale in 5-AA play.

Coach Al Tregle's Tigers entered the contest assured of a winning season at 5-1, including 4-3 in 5-AAAA con-

tests. Out of the playoff picture, the Tigers nonetheless played as if one were on the line.

New Iberia, meanwhile, was

4-1 before the game, having lost only to No. 1 Lafayette High. The Yellow Jackets needed a win by Lafayette High over Acadiana to reach state playoff action, and they

got it when the Lions topped the Rams 28-21.

But Coach Gordon King's crew dropped to 0-2 overall and 6-2 in the league entering postseason play. Since NISU beat Acadiana 29-28, the Jackets will see further action although the two clubs tied at 6-2 and 6-2.

The eight points scored by New Iberia were their fewest this season, being five fewer than in last week's narrow 13-7 triumph over 5-AA member Opelousas. On the year, the Jackets posted an impressive 297 points — 29.7 points per game.

All that offense was shut off by the fired-up Tigers on the home ground, after Tregle refused to move his game to another night so that New Iberia students and players could attend the LHS-Acadiana battle and root for the Lions.

## Notre Dame Blanks CNI

**NEW IBERIA** — Paul One-Lane, Johnny Casanova and Mitchell Lege each scored a touchdown to pace the Notre Dame Pioneers to a 20-0 7-AA

district victory over Catholic High of New Iberia here Friday night.

Although finishing their season at 8-2 and 4-1 in district

play, the Pioneers were shut out of the playoffs when the Cathedral Tigers beat the Teurlings Rebels. The Tiger win allowed those two squads

to represent the district in playoff action.

(One-Lane crossed first for Notre Dame from one yard out in the first quarter, then was followed by Casanova (eight yard pass from Gerald Lege) and Mitchell Lege (seven yard run) in the second and fourth periods, respectively.

## Stoutest-Led Bobcats Hold Off Kaplan

**ERATH** — The Erath Bobcats are the unofficial football champs of Vermilion Parish after whipping cross-parish rival Kaplan 13-6 here Friday night.

The Bobcats have emerged victorious in every encounter with another parish team. The win gave Erath a 5-4 overall record and a 2-3 district mark for 1978.

Kaplan, on the other hand, finished the year with a 1-8 overall record and a 0-5 slate in district play. The Pirates have more than their share of injuries during the run of the season.

Donnie Harrington put Kaplan out front in the first period on a 28 yard run. The try for the extra point failed.

Mark Stoutest, Erath's line running back, scored both Bobcat touchdowns on two yard runs with one coming in the second quarter and one in

the fourth period. Stoutest carried the ball 24 times and gained 195 yards in his final game of high school football.

## Hanson Overpowers Delcambre, 41-6

**FRANKLIN** — They had to do it the hard way, but the Hanson Tigers will occupy the throne room of District 9-A again in 1978. The Tigers clinched the crown with a resounding 41-6 win over the Delcambre Panthers in a MUST game for both clubs.

Lloyd Concigione scored four times on runs of 41, three, 26, and six yards and finished the night with 101 yards. Hanson put it all together when district play started after their worst start in many seasons. They finished the season without losing a district game and will now advance into the state playoffs. The loss was a disappointing

one for Delcambre as the Panthers put together a fine season after a slow start. Delcambre will remain hopeful as Lafayette will join Hanson in the playoffs.

# Tigers, Rebels Begin AA Playoffs

By AL GUIDRY  
Advertiser Sports Writer

District 7-AA champs Cathedral and runners-up Teurlings will begin the long road to the state crown with regional games Friday night.

The Tigers will be at home against Loranger, with the Rebels busing to White Castle.

Both the Rebels and Tigers were off last week, but Loranger defeated Patterson 19-14 and White Castle sneaked by Independence 6-0.

## LORANGER-CATHEDRAL

The Tigers of Coach Lunden Berecegeay were 8-2 overall during the season and 4-1 in league play, while Coach Jimmy Morris' Wolves ended at 8-2 and 7-1, respectively for a 10-AA runner-up spot.

Leading the Cathedral offensive attack is quarterback Todd Duke, and runningbacks Mike Mahlock 664 yards, 12 TD's and Buddy Breaux.

Dicky Williams anchors the offensive line, while Ned Bourgeois and Billy Duret handle the guards slots. The Tiger tackles are Stan Leece and Greg Smith.

Albert Jumonville and David Lowry are

the ends, while Stuart Jones plays the tight end slot. Jumonville had 24 catches for 496 yards and five TD's for the Tigers.

Brit Huckaby handles the middle of the defensive line at his noseguard position, with Leece and Larry Lackey manning the tackles. The ends are John Gumpert and Mahtook.

Bourgeois and Mike Catkins are the Cathedral linebackers, while David Lowry and Wade Kee handle the corners. The safeties are Jumonville and Jerry Summers.

Rickey Husser is the leading ball carrier for the Wolves with 1,001 yards, along with quarterback Roy Ansley, who has 475 stripes running and 960 passing.

Hessie Willie is Loranger's triple threat as a 41.0 average punter, defensive back, and pass catcher, with 350 yards and five touchdowns in receptions.

## TEURLINGS-WHITE CASTLE

The Rebels ended the year with a 9-1 overall mark and 5-1 district record while the Bulldogs finished at 6-4 and came in second in 8-AA with a 4-1 worksheet.

Both teams differ in style as far as offensive philosophy goes, with the Rebels mov-

ing the ball via the pass and the Bulldogs grinding out the yardage on the ground.

Quarterback Mark Breaux had an outstanding season, passing for 1361 yards and 17 touchdowns on 55 of 114 pass completions. He also rushed for 275 yards and five touchdowns.

When the Rebels needed to run the ball, scathacks Scott Blakely and Scott Hollier were called upon.

Hollier responded by carrying the pigskin 139 times for 855 yards and six touchdowns and most of his yardage was obtained behind the outstanding blocking of Blakely.

Glenn Gerami, who was the leading receiver in the district hauled in 24 receptions for 758 yards and nine touchdowns.

Tightend Jon Hebert and Tommy Myers were also instrumental in playing a big part in the Rebel offensive arsenal with their good blocking and key catches.

But, the big reason the Rebels had so much success this season lies on the shoulders of a good offensive line.

Kevin Begnaud is the Rebel hiker and he is flanked by Brennan O'Neil and Paul Olivier at guards. The tackles are Matt Foley and Randy Reed.

On the defensive side of the ledger, Reed

and Randall Babineaux are the ends, with Foley and Ron Judice at the tackles.

The Teurlings linebackers are O'Neil, Olivier and Begnaud, while Hollier and Blakely are the cornerbacks. Craig Caillier and Gerami take care of the long passes from their safety slots.

"The kids and coaches are really looking forward to our first playoff game," stated an overjoyed Rebel Head Mentor Tad Tatman.

"This has been our goal for the last two seasons and I'm real proud of my players and coaches.

"White Castle has a real physical ball club and they have been in the playoffs for the last two years.

"We are going to have to control the line of scrimmage offensively and defensively and keep them from making the big plays if we are to win.

Coach John Desselles Bulldogs are led by halfback Joe Smith, who rushed for 465 yards, and tailback Sterling Domingue, who rushed for 419 stripes.

Quarterback Alex Thomas, who didn't get the opportunity to throw the football much this season, but he did pass for 292 yards.

## FALL IN FIRST ROUND

# History Repeats For Rebs

WHITE CASTLE — It could have been a history-making occasion for Teurlings Friday night, but instead the Rebels reverted back to older days as they dropped a 14-6 decision to the White Castle Bulldogs here

in regional playoff action. The last time Teurlings managed to land a playoff berth was in 1972 and in that

year the Rebs lost the first game they played in post-

season action as they did Friday night, falling 12-8 to Merryville.

For the second time this century Teurlings' 9-2 for the year could not advance into the next round of competition

and, as in 1972, it was a stout pass defense that stopped them.

### Shut Down

The vaunted aerial attack of Teurlings, which came into

the game with over 1500 yards -- 1363 of those yards coming off the arm of quarterback Mark Breaux -- was held in check throughout the game. This time around, Breaux could only muster a four of eight performance and got but 55 yards, despite hitting Jon Hebert late in the fourth quarter for a 35-yard touchdown.

Without a passing attack, the Rebel running game was called upon to take up the slack. The Teurlings runners failed to meet their challenge, however, as they garnered a combined nine yards via the ground.

### Balanced Club

The staunch White Castle defense was amply supported by their offensive counterparts also, as the Bulldog offensive ended with 193 yards on the night.

Sterling Domingue crossed first for White Castle, going in from one yard out with 45 seconds left in the second quarter. A Don Governor PAT gave White Castle a 7-0 lead going into the intermission.

### The Clincher

With 5:34 remaining in the third quarter, Joseph Smith scored for the Bulldogs giving White Castle an insurmountable lead. With Governor's point after the Bulldogs had 14 points and the Rebels had yet to challenge.

Finally, with 1:58 left till the end of the game, Breaux connected with Hebert for the lone Rebel score, but it proved too little, too late. Too bad, history has a habit of repeating itself.

# Yellow Jackets Ousted By Vengeful Lee High

BATON ROUGE — Last year when the New Iberia Yellow Jackets finished as the District 5-AAAA champions, they hosted the Lee High Rebels in the first round of quad-A state playoff action.

NISH rolled over the Rebels 36-6 in that one, and left no doubt about the final outcome.

The tables were reversed in more ways than one here Friday night as the two clubs went at it again. This time Lee was the host team, the 6-AAAA kingpins, and New

Iberia came to town as the 5-AAAA runnersup.

### Revenge Gained

Also reversed was the final score, as Lee held off the Jackets 20-12 to advance to further action against Woodlawn of Shreveport, which whipped Lake Charles 21-17.

In a battle of tailback stars, Rebel Ricky Stewart raced for 100 yards on 11 carries and scored twice while New Iberia all-America Johnny Hector closed his great high school

career with 44 yards on 17 tries.

Hector did manage one touchdown, catching a flat pass from quarterback Gary Joseph and completing a seven-yard score in the third period. That score put the visitors up 12-7 for a while, but it was not in the cards.

### Back On Top

Stewart answered Hector's TD with a 41-yard fourth period scamper that gave the Rebs the lead for good at 13-12. Then with the Jackets driving

with 4:54 remaining in the battle, a Hector fumble was returned 80 yards for the clinching TD by Mark Modicut.

Modicut tacked on the extra point, as he had done when Stewart opened the scoring with a 13-yard burst in the second quarter. Joseph drew the Jackets close at 7-6 with a one-yard plunge, but the extra point was missed.

Hector's score was the only scoring in the third stanza, then the Rebels put together their crucial, clinching scores.

### In Check

Although their star was held in check for the most part, the Jackets did manage 140 rushing yards and Joseph passed for 117 more -- thus allowing the visitors to outgain Lee, 257 to 220. But two lost fumbles and an interception ended the state title hopes of Coach Gordon King and his club.

PAT kick was wide, but the Tigers led 13-7.

Hanson started the second quarter in grand style as a fired up Tiger defense trapped Kehoe in the end zone for a safety to increase the lead to 15-0.

Concienne scored his third TD of the night before intermission when he bulled his way over from the six yard line. The pass for two failed, but the Tigers led 21-7 at halftime.

The Tigers put the contest away in the final period when Concienne jumped into the end zone from one yard out.

# Cathedral, Teurlings Lead Honorees On 7-AA Team

By AL GUDBY

Daily Advertiser

Sports Writer

(Written For The AD)

The Cathedral Tigers burst 7-AA champ, captured two of the top three awards on the year's All-District squad picked by the league coaches for the Louisiana Sports Writers Association.

Head Mentor Linden Brezger, who guided the Tigers to an 8-7 overall mark and 3-1 league record, was voted by his peers as the Coach of the Year.

Albert Junonville, a 5-11, 160-pound senior, rushed the secondary like a centerfielder and his efforts, he was selected as the Defensive Player of the Year.

Teurlings moved the ball up and down the field with the pass. Accused of the strong arm of quarterback Mark Brezger, the Rebel signal caller, a 5-10, 160-pound senior, responded by throwing for 180 yards and 11 touchdowns on 25 of 48 pass attempts. He also had 25 yards rushing and tallied five touchdowns.

For his outstanding performance, he was picked as the outstanding offensive player of the year by "let of action."

But Brezger was the only Rebel to make the elite team as eight other teammates were selected.

Junonville was a two-point winner on the offensive team as he was named as the tight end and kicking specialist.

The junior, 5-11, 175-pounder, tallied 12 receptions on the year for 200 yards and six touchdowns.

He was also a valuable receiver as he pulled the ball for 37.1 average and all his catches sailed behind the line and he never let his opponent catch him.

Also making the first team were Matt Foley, a 5-10, 160-pound senior, who was named as the tight end and kicking specialist.

Mark Brezger getting the nod as rushing back. The injury-riddled Panthers had problems moving the ball on offense, but when they needed to get a few tough yards, Guyette's number was called.

A 5-11, 160-pound senior, Guyette was named by his coaches as being the best blocker in the Panther offense.

Where the Notre Dame Panthers had to get a first down, the Rebels' six-point Guyette was the simple answer. He had 12 carries for 163 yards and 10 touchdowns. And what a power did the Panthers pounce to get the best rushing team in the state. Guyette, a 5-11, 160-pound senior, was the leading rusher at 113 yards on 18 carries and 10 touchdowns. He also had 10 yards in passing and 10 yards in punting. He also had 10 yards in punting. He also had 10 yards in punting.

Any coach would think that he is in Heaven if he had the opportunity to trade his year's defensive unit.

Of the 11 men chosen on the defensive side of the ledger, Teurlings has four choices. Cathedral and Notre Dame have three each, and Catholic High one.
