PARKING TAGS

As of today, we are officially out of parking spaces and therefore parking tags for our student drivers. When seniors start their exams on Monday, April 28, 2025, additional spots will become available to finish out the school year. Please see Mrs. Tisha Collado at that time if you would like a parking tag. Until then, students can park at their own risk on the side of the road behind the stadium if they so choose.

DRIVER'S EDUCATION CLASS

Excellent Drivers Academy will be hosting classes here at TCHS during our spring semester through May. [Click here](#) for more information.

UNIFORM SHORTS/SKIRTS

As the temperatures warm up, please remember to adhere to our uniform short/skirt length policy. Shorts cannot be shorter than 5" from the ground in a kneeling position. There is to be no rolling of the waistband or hem. Skirts must touch the knee in the front and back, all the way around. Short/skirt length policy will be enforced until the end of the school year. Please see to it that your uniform bottoms are long enough. *(Pictured right - correct length)*

PARKING LOTS

Parents, please remind your students (if they drive to school) to drive safely in the parking lots (no speeding, peeling out, getting on their phones while driving, etc.) We've had some issues lately, especially in the back baseball parking lots with students driving recklessly while on their cell phones. Duty teachers have been notified to be on the lookout for this type of behavior. Please be aware that behavioral consequences and/or revoking of parking tags may occur if this behavior continues. Thanks for your help with this matter, as we want to keep all students safe!

SHELTER FOR HOPE: TCHS HOMELESS AWARENESS

TCHS Student Council and Campus Ministry Club will be hosting its 7th annual ***“Shelter for Hope: TCHS Homeless Awareness”*** during the Lenten season. Teurlings Catholic hosts this event in order to raise awareness for the homeless in our community. We hope this event will make students aware of the problems the homeless face every day and spark a desire to help these members of our community.

This year we have decided to participate in the ***Catholic Charities Homeless to Heartwarmed Campaign***. This initiative is a great way to help those who have experienced homelessness transition into stable and safe housing. Those who choose to participate will be assigned to a family to help furnish their home once they are ready to move in. While the campaign calls for teams of 5-7 people per home, ***we are asking that if you want to participate, please fill out the form below*** with your name and the names of those who are joining you. Once we see how many people are helping, we can determine how many families we can help. ***Therefore, when you read the team member requirement in the link provided with more information, please disregard that part.***

Anyone is welcome to participate! While we encourage our students to sign up, family members of our students are also encouraged to join the campaign. This is a great way for our TCHS community to participate in corporal works of mercy together during this Lenten season.

Please **CLICK HERE** to find out more information about this campaign. **CLICK HERE TO SIGN UP!** The form includes the various ways that you can help. We don't expect everyone to want to participate in the same way. If you choose to join us, please sign up by Friday, March 28, 2025.

If you have any questions, please email lboyd@tchs.net or qvator@tchs.net.

TOGETHER - WE CAN MAKE A DIFFERENCE!

HOMELESS TO *Housewarmed*

is a heartwarming initiative helping our neighbors who have experienced homelessness transition into safe, stable housing in a dignified way.

By joining this campaign your team has the opportunity to create a sacred space that will be filled with a love that is unique to your group.

Prior to a client's move-in date, your team gathers all basic items to turn a bare living space into a welcoming home. When a housing unit becomes available, your team will be deployed to transform the space - offering a fresh start, warmth, and hope to someone who needs it most.

Together, we can ensure that everyone in Acadiana has a place to call home!

TCHS Students – Join us on Friday, March 21 at lunch in the library, for our Women's History Month guest speaker, Mrs. Karen Dugas, who will be talking about real-life financial topics such as budgeting, understanding credit, understanding car loans, and how to pay for college.

Karen is an educator and entrepreneur. She has taught high school for over 20 years in public and private schools. She currently teaches Financial Literacy at Lafayette Christian Academy. In 2017, Karen Dugas founded an educational company Above the Limit, LLC to provide a learning experience for students that is enjoyable, helpful, and rewarding. Above the Limit specializes in 1-on-1 tutoring for K-12 students including an outstanding ACT and SAT Prep program that helps students become TOPS eligible and gain acceptance into their schools of choice. Mrs. Dugas believes "Money Talks" are opportunities to teach wealth habits to youth. Her nonprofit Beyond the Bus Foundation facilitates in-person and virtual financial literacy workshops and hosts a 1-week Financial Literacy Summer Camp for teens to engage with professionals and learn personal development skills that will enhance their financial futures.
