

# Rebel Revival Reflection

Written by Logan Myers

I loved Rebel Revival and really enjoyed it! Once I heard about the opportunity to attend, right away I jumped in. I was just coming back from basketball practice and to have that peace of mind with God and have a good time with friends was amazing.

I loved how open I could be. It seemed like no matter what everyone was there for the same reason: to get closer to God.

The best part to me was whenever we heard the testimony from Ms. Laborde. She spoke about how we can thank God, pray, and that God always wants to show us His love. It showed me how God acts in so many ways in our life, and sometimes we fail to notice how much He really does give us and that He wants to help us.

I also loved the reflection time. As we knelt before the Blessed Sacrament, it made me realize how thankful I am for my life. I am at a great school with great teachers, and I really could not ask for more.

I recommend anyone and everyone to attend a Rebel Revival. You feel at home and in great comfort, the comfort of a school community and the comfort of God. I loved it and will definitely be coming back.
